Standardized Assessments

Kindergarten - Grade 8:

i-Ready: i-Ready is an online program for reading and/or mathematics that will help your student's teacher(s) determine your student's needs, personalize their learning, and monitor progress throughout the school year. i-Ready allows your teacher(s) to meet your student exactly where they are and provides data to increase your student's learning gains. i-Ready consists of two parts: Diagnostic and Personalized Instruction. i-Ready will also be used to conduct state-mandated literacy screening in grades K-3.
