Dear Parent/Carer,

We hope this message finds you well. We are writing to inform you about a slight update regarding the Physical Education (PE) kit for our students. In our ongoing efforts to maintain consistency and professionalism in our school attire, we have made a decision concerning the shorts included in the PE kit. Starting from 1st September 2025, all PE shorts must be plain black and of a reasonable length. This adjustment is aimed at ensuring that all students present a unified appearance during PE classes and related activities. Additionally, we would like to remind you that large logos or brands will not be permitted on the shorts; however, a small logo is acceptable. This change will not only enhance the visual cohesion of our PE kit but also allow for better integration with other aspects of school life. We appreciate your understanding and support as we implement this new guideline. Should you have any questions or require further clarification, please do not hesitate to reach out.

Thank you for your cooperation.

Kind regards,

Mrs Hamataj and Mr Higgins

Heads of PE
