SEDOL SIBSHOPS

Sibshop 2025–26 Dates

September 20 • October 4 • November 8 • February 7 • March 7 • April 18

☀️ **What Are Sibshops?**

Sibshops are fun, engaging groups for kids (ages 5 and up) who have a brother or sister with intellectual disabilities or Autism.

At Sibshops, kids will:

- ✓ Connect with other siblings who “get it
- ✓ Play games and have fun
- ✓ Share experiences (if they want to)
- ✓ Enjoy time that’s just for them

💡 This is not therapy—it’s a supportive, playful space to celebrate siblings! Kids can join one session or all of them—whatever works best for your family.
