

Fargo South Student Announcements
Wednesday, October 1st, 2025

Announcements:

- Are you 16 years old and in 11th grade? If so, it's time for your 2nd meningitis vaccine! School compliance for vaccinations begins today, so don't delay in getting your vaccines. If you are curious if you are up to date on vaccines, please come see nurse Christy for more information. Nurse office hours are 08:30-02:00 for questions.
- A brand new club is here at Fargo South! Biology Club will be holding our very first meeting on Wednesday, Oct. 1st in Mr. Potter's Room (E29) starting at 3:45. Join us to grow various plants, work with animals, tour biological sites, and much more!
- Hello Art Club! We will be meeting this Thursday, October 2nd in room G27 from 3:40-5:00pm. We will be creating hand carved stamps. Hope to see you there.
- The wellness Wednesday theme for this month is emotional awareness. Emotional awareness is the ability to tune in to what your body is telling you, what you might be feeling, and the ability to respond to this productively to feel better. This month we will focus on tools to help build emotional awareness. Check out the emotional awareness posters around the school for quick strategies you can use every day.
