

West-MEC

TECHNICAL CAREERS

(Apprenticeship, Associate's Degree, Advanced Certification, Experience, etc.)

- Machine Learning Engineer
- Data Scientist
- NLP Engineer
- Computer Vision Engineer
- Robotics Engineer (AI focus)
- AI Software Developer
- Deep Learning Engineer
- Reinforcement Learning Specialist
- AI Quality Assurance Engineer
- Edge AI Developer
- Robotics Technician
- Remote Sensing Technician

PROFESSIONAL CAREERS

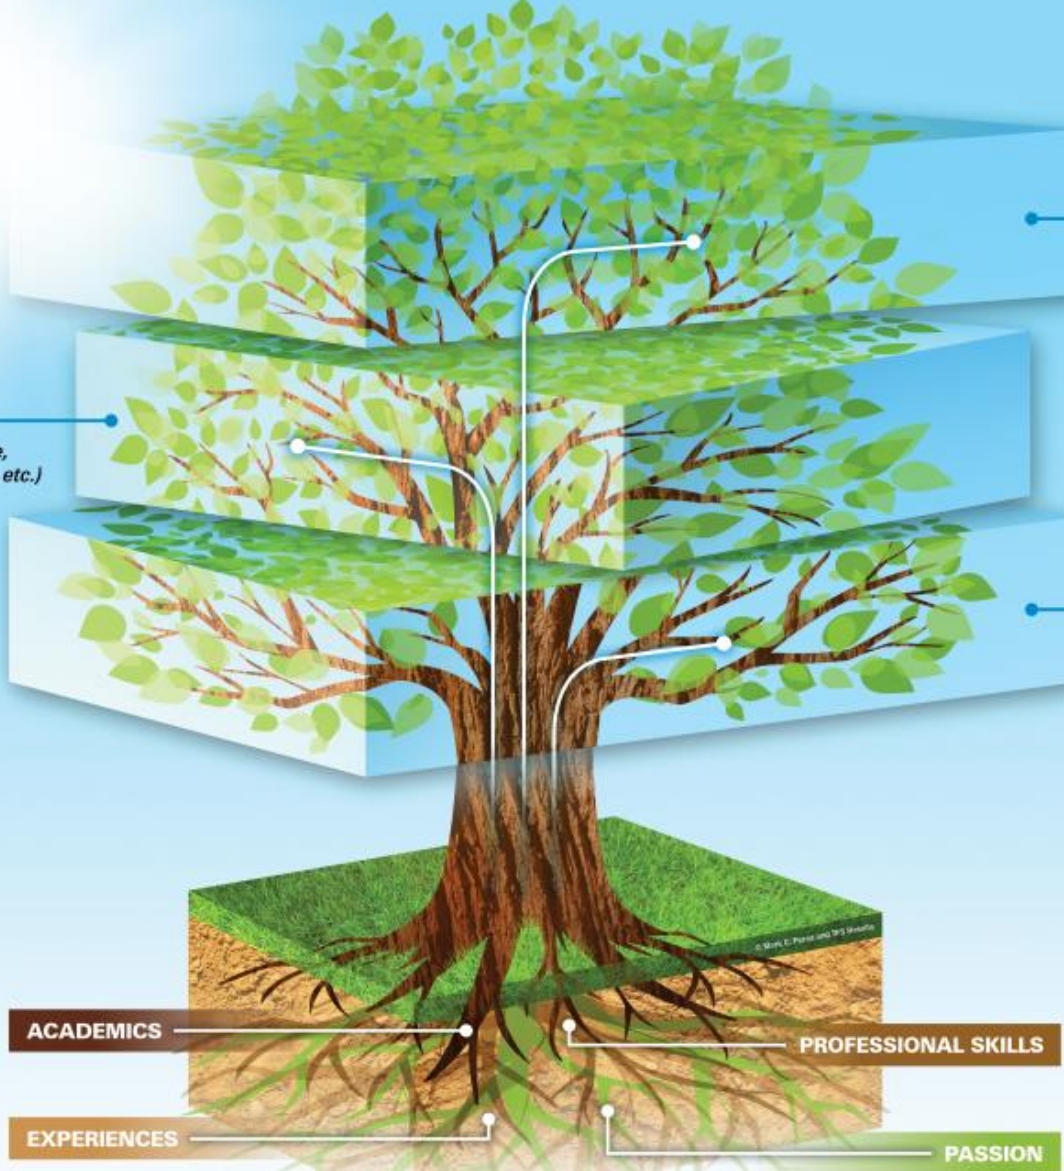

(Bachelor's, Master's, Ph.D., Specialized Training, Experience, etc.)

- AI Research Scientist
- AI Solutions Architect
- AI Ethics Specialist
- AI Program Manager
- Chief AI Officer (CAIO)
- AI Policy Advisor
- Healthcare AI Specialist
- Autonomous Systems Engineer
- AI Consultant
- AI Entrepreneur / Startup Founder
- Autonomous Vehicle Engineer
- Robotics Engineer

ENTRY-LEVEL CAREERS

(with Program Completion)

- AI/ML Intern
- Data Annotation Specialist
- Junior Data Analyst
- Business Intelligence Assistant
- Junior AI Tester
- AI Support Specialist
- Research Assistant (AI Lab)
- Junior Python Developer (AI focus)
- Chatbot Content Designer
- Entry-Level Data Engineer
- Development Lab Technician
- 3D Printing Technician
