Laton Online Academy

Proposition 28 Art Expenditure Plan

School Site Information

School: Laton High School
Fiscal Year: 2025-2026
Contact Person: Lucio Cortez

Program Overview

Laton Online Academy students meet in person twice a week (Tuesdays and Thursdays). Currently, LOA students have no access to hands-on arts opportunities. In alignment with Proposition 28 objectives, our plan seeks to provide engaging art experiences through a partnership with a local art vendor. Students will complete weekly art projects that will be displayed inside the LOA building. Additionally, the project will include a collaborative mural-like painting at the front of the building to revitalize the appearance of the LOA classroom and provide students with a sense of pride and ownership in their learning environment.

Planned Arts Program Expenditures

Objective: Engage LOA students in meaningful, hands-on art projects that enhance the physical environment of the LOA building while fostering creativity and community pride.

Planned Expenditures:

- Contract with an art vendor to provide weekly in-person art instruction and workshops.
- Provide materials and supplies for individual and group art projects.
- Design and complete a student-led mural-like painting at the entrance of the LOA building.
- Display student artwork inside the LOA building to showcase their creativity and improve the learning environment.

Estimated Cost: $4,477

Program Goals and Accountability

Laton Online Academy's Proposition 28 funded initiatives will:

- Provide equitable access to arts education for LOA students who have limited in-person instructional time.
- Increase student engagement and creativity through weekly structured art projects.
- Enhance the appearance of the LOA building, creating a welcoming environment for students, families, and staff.
- Foster a sense of community pride through student-led art displays and murals.
- Report annually on program implementation and expenditures in alignment with Proposition 28 accountability requirements.
