

**Memorandum of Understanding
between Renton School District and Renton Education Association
Professional Learning Plan**

The parties have come to an agreement to modify the current 2025-2027 Collective Bargaining Agreement (“CBA”) to reflect bargaining intent regarding Professional Learning Plans (PLP).

The parties agree that in Section 13.5.1.8, should be struck from the CBA. It was agreed upon in bargaining that the activities listed in Section 13.5.1.8 should be accounted for in Building Learning Improvement Hours (BLIS) and not under PLP. The corresponding PLP form in Appendix B will also be updated to remove IEP/504/BIP/FBA meetings from the Professional Learning section.

~~13.5.1.8 IEP/504/BIP/FBA meetings~~

Due to educators already completing their PLP forms for the 2025-2026 school year, this change will go into effect for the 2026-2027 school year. The CBA will be renumbered to account for the removal of Section 13.5.1.8 during bargaining for the successor CBA.

Except as shown above, all other provisions of the CBA remain intact.
