Here We Go 2025-26 School Year! Bring It!!

Whether you are a new Middle School family or a returning High School student, we are excited to have you as part of our school community! We hope everyone has had a wonderful start to the new school year and we enjoyed meeting many of you at Curriculum Night!

Our PTSA is currently and comfortably designed to be a community of parents, caregivers, teachers and students who would like to stay involved in our school district. Therefore we do not have formal meetings but rather an occasional Happy Hour or Meet and Greet. We typically vote by proxy and reach out through email, quarterly newsletters, and social media. We hope to be a helpful resource by staying connected with our school community. Our PTSA members are supporters and advocates for our exceptional teachers and students, and we promote a strong relationship with our Middle and High School administration.

Please keep in touch and an eye out for event announcements, volunteer opportunities, and updates! You can stay connected with us via email (southwhidbeyptsa@gmail.com) and through our FB and Instagram pages to learn the latest with news and school happenings.

Upcoming Volunteer Opportunity

Our wonderful HS Biology/AP Bio Teacher, Maddy Pinkerton, is seeking parent volunteers for her classroom. Here is a brief description detailing her needs:

- 1) Someone to help run math small groups during my third period, which is from 11:45 to 1:15 on Mon/Tues/Thursdays and 11:05-12:10 on Wednesdays, on a once a week basis. I would be looking for someone to take groups of 2-4 kids into the hallway/library to review things like unit conversions, 2 step algebra equations, percents, averages, and basic graphing.
- 2) Someone to help my students keep their notebooks organized, again during 3rd period. They would ideally pull small groups of 2-3 kids (hallway or library), once a week to do a check-in with them. I will provide the master notebook, and all the adult would need to do is go through the kids notebooks' with them to ensure they have the appropriate entries and make-up materials that they might be missing.

Please contact her at mpinkerton@sw.wednet.edu if you are able to volunteer. Thank You!
