

CHIMACUM
SCHOOL DISTRICT
DEEP ROOTS BROAD HORIZONS

Dear Parent/Guardian:

WE NEED YOUR HELP!

We will again in the 25-26 school year be participating in a federal program called the Community Eligibility Provision (CEP). This program allows all children in our school to eat at no charge for breakfast and lunch. However, some education programs we provide are funded with state dollars. We will no longer be collecting Free and Reduced-Price Applications every year, instead, we must collect the Family Income Survey. This form helps us collect household information for all students attending CEP schools. **Without this information Chimacum School District could lose important state funding for educational programs that our students are entitled to. Forms are available in your schools front office.**

WHAT YOU CAN DO

Please take a moment to complete the form and return it to your student's school. The Family Income Survey captures information and ensures the district/school receives state funding for education programs.

We're excited to offer no-cost meals to all students and appreciate your help. In order to continue to offer this program, we must collect this important data. If you have any questions, please contact Justin Oas at 360-302-5807.

Sincerely,

Food and Nutrition Services
