Phonic Screening Check:

All pupils take a phonics screening check in June of Y1. They are asked to read a series of random words: real words and pseudo words. To achieve the expected standard, pupils needed to score 32 or more out of 40. Those who do not meet the expected standard will take the check again in Y2.

After the June 2025 testing, overall, 98% of the Y2 cohort will enter KS2 'phonics ready in September 2025'.

MTC (Year 4 National Multiplication Tables Check)

The multiplication tables check (MTC) is statutory for all year 4 pupils registered at state-funded maintained schools, special schools or academies, including free schools, in England.

The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help schools to identify pupils who have not yet mastered their times tables, so that additional support can be provided.
