

# October in STEM

**Kindergarten:** This month we continue to understand the meaning of each letter of STEM and discover how things move with pushes and pulls.

**1st Grade:** We'll be starting a new unit on light and sound.

**2nd Grade:** This month second graders will continue to explore the properties of matter.

**3rd Grade:** We're wrapping up our unit on the forces of motion. We'll explore the concepts of gravity and friction with a hands-on Lego build.

**4th Grade:** Fourth graders are beginning a new unit on the science of waves.

**5th Grade:** Our fifth graders will be investigating matter in greater detail.
