

We would like to welcome you to the Orrick R-XI school district. We are thankful for the wonderful support that the community continues to contribute to the educational journey of each of our students.

As we continue in this partnership, our desire is to continue to provide quality and meaningful educational experiences for each of our students. We want each student that enters our school to feel important and to recognize that we believe in them. We want every student to know that they can be successful. This occurs because of the partnerships that have been established with our entire community. This is a team effort, and we recognize the community's influence and support.

We are guided at Orrick Schools by this philosophy: Are my actions and decisions making Orrick Schools a better place, benefit the students, and build a positive atmosphere? As a school district, we seek to be able to whole-heartedly answer yes to each of these questions as we act. As the superintendent, I seek to lead in setting a positive example for our district. We are driven by our mission and vision to ensure each Bearcat becomes the best version of themselves that they can. What a wonderful partnership we all get to participate in!

-MISSION-

**Dedicated to Every Student Everyday**

- VISION-

**Encourage - Empower - Educate**

Christopher Russo  
Superintendent Orrick R-XI Schools
