

AEP Notification

The Texas Education Agency (TEA), requires all students who were unsuccessful with any portion of the 23-24 STAAR exam to complete mandatory House Bill 1416 tutoring criteria.

You are receiving this notification because your child is required to fulfill tutoring hours.

The campus will create individual plans to help students fulfill these requirements. Tutoring hours can be captured in various ways, including:

- Interventions provided during the school day
- Before and after school

You will be receiving additional information concerning the details from your student's campus.

Thank you!
