Upcoming Counselor Classroom Lesson

Throughout the month of November, our counseling team will be delivering classroom lessons focused on graduation requirements, career and college preparation, and your student's Aeries Academic Plan. We will provide more details and resources as we get closer to these dates.

Lesson Schedule:

Juniors: Nov 3-7

Sophomores: Nov 10-14

Freshmen: Nov 17-21

In addition to these lessons, counselors will meet individually with all 9th-11th grade students in January and February to review their progress toward graduation and finalize course selections for the 2026-2027 school year. This is a great time for students to ask any questions and adjust their academic plans as needed. Please note that counselors will not be scheduling additional academic planning appointments outside of these meetings. Thank you, Oakmont Counselors

RJUHSD Internship Program

Internships during high school give students a real-world preview of different careers before they commit to a college major or training program. By working alongside professionals, students learn what the day-to-day responsibilities are really like, discover skills they enjoy using, and even figure out what fields may not be a good fit. This hands-on experience can save time and money after graduation by helping students make more confident choices about their future path, while also building resumes, networking connections, and workplace skills employers value.

The RJUHSD Internship Program opens September 22nd to Juniors and Seniors (16+) who have completed 2 CTE courses. Applications, resumes and cover letters are **due by October 22nd**. Students can view the available internships in CANVAS > RJUHSD Internship Program Course.

Interested students should sign up to attend the resume and application workshops on:

- Fri. Oct. 3rd and
- Mon. Oct. 13th

Parent Information Webinars - Canvas
