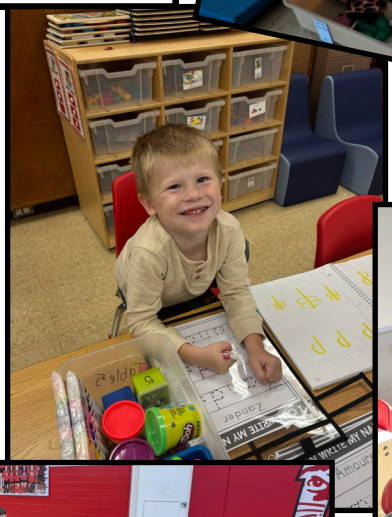
Delphos Preschool

The Delphos City Schools Preschool has had a great start to the year. The students have been learning the routines, following directions, and participating in a variety of activities during their days.



The preschool has also implemented Positive Behavior Expectations of be kind, be a leader, and be safe. Be kind focuses on being a friend, playing with my friends, sharing, taking turns, and helping others. Be a leader focuses on looking at the speaker, listening, using a quiet voice, cleaning up, and throwing away trash. Be safe focuses on following directions, keeping my hands and feet to myself, using gentle hands, using waking feet, and using materials safely.

Franklin Elementary

Classes are in full swing at Franklin. You can find students becoming scientists with apple experiments, being artists of fun fall crafts and leading their classroom calendar time.

Franklin students have enjoyed the high school football team, cheerleaders and soccer team greeting them in the mornings. The mini cheerleaders also participated in a half time performance! Go Cats!
