Registering Your Account

To succeed in college and the workforce, you need the right tools. Registering your CaliforniaColleges.edu account lets you access tools designed to help you discover college and career goals, create a plan for how to achieve them, and launch your future after high school.

- Begin by clicking **Register Your Account** in the top right of your screen.
- Select **I am a Student** from the dropdown at the top and enter the names of your School District and your School. Then click **Next**.
- Some school districts partner with the California College Guidance Initiative to give their students access to additional tools on CaliforniaColleges.edu. To learn if you are in a partner district, visit bit.ly/districtpartners
- If you are in a partner district, you'll be prompted to enter your Student ID and your Date of Birth.
- If your school district is not partner district, you'll be asked to enter the following information:
 - First and Last Name
 - Student ID
 - Date of Birth
 - Grade Level
- Select whether or not you have used a CaliforniaColleges.edu account before at a different school. Then click **Next**.
- If your campus uses **Sign Up with Google**, click the button at the top. If not, you can register an account using your email address. Please remember to follow the rules set up by your school.
- To register with your email, enter your email address. Then re-enter it to confirm.
- Enter a password, making sure that it meets the password requirements. Then re-enter your password to confirm, and click **Register**.

It's that easy. Now you can use CaliforniaColleges.edu tools to help your journey to college and career success. To learn more about how CaliforniaColleges.edu can help you smooth your college and career path, visit CaliforniaColleges.edu/#/help
