

WHAT IS A SCHOOL- PARENT COMPACT?

It is a written commitment describing how all members of a school community—parents, teachers, principals, and students—agree to share responsibility for student learning. The compact helps bridge the learning connection between school and home. It is an agreement that will **SYNERGIZE** all parties into a collective commitment that leads to students demonstrate strength of character and College or Career Ready.

DID YOU KNOW?

- Parents, students, and teachers work together to develop our school-parent compact. Each school year, the Family and Community Engagement (FACE) Forum is held for parents, teachers, and students to compare the compact with school data to review our progress and assess our goals.
- This compact is uniquely developed to meet the needs and goals of our school and students. Parents can provide feedback on the compact at any time during the school year.

Progress is our only option if greatness will be our portion

AS A TEACHER, I WILL-

- Regularly communicate your child's progress towards meeting goals and achievements through the Parent Portal.
- **BEGIN WITH THE END IN MIND** by providing access to online resources like Progress Learning, Common Lit, and Freckle to strengthen your child's outcomes in class and on state assessments.
- Provide opportunities in class for your child to evaluate and monitor their own progress in an effort to support them in determining the next steps on their path to success.

AS A PARENT, I WILL

- Encourage my child to make and use math flash cards to reinforce important facts and concepts learned in class.
- Encourage my child to set aside time after school and weekends to log in to USAtestprep to review and practice skills to increase proficiency.
- Allot time for family reading and incentivize my child's completion of Accelerated Reader tests.
- **PUT FIRST THINGS FIRST** by creating a Parent Portal Account and regularly logging in to monitor my child's attendance, grades, and behavior.

AS A STUDENT, I WILL-

- **BE PROACTIVE** by coming to school EVERY day prepared to take advantage of the learning opportunities provided by the faculty and staff of Northeast High School.
- **SEEK FIRST TO UNDERSTAND** by taking advantage of afterschool and Saturday School opportunities to deepen my understanding and **THEN TO BE UNDERSTOOD** by evaluating and monitoring my own progress so that I can advocate for myself.

LET'S ALL CONTINUE TO SHARPEN OUR SAW & FIND MEANINGFUL WAYS TO PARTNER TOGETHER.
