RE: Lin-Wood Public School, Statement of Non-Asbestos Containing Building Materials

Dear Peter Stivali:

The space occupied by Lin-Wood Middle/High School, and the common areas used by the students including hallways, walls, ceilings, and stairwells was built in 1962 with structural changes made in 1985. Asbestos abatement was completed by Lawson Group, LTD in July of 2003. As the Director of Buildings and Grounds of the Lincoln-Woodstock Cooperative School District, I state that since that time, no asbestos containing building materials were specified or used in school building construction or renovations projects including carpet and flooring replacements, and to the best of my knowledge, no asbestos containing materials are currently present in the space occupied by Lin-Wood Middle/High School.

Sincerely,

Mark Houde
Director of Buildings and Grounds
Lincoln-Woodstock Cooperative School District
