

# CUSD Forward

## 2025-2030 Strategic Plan

### Mission and Core Values

CUSD cultivates individual excellence through the power of every connection. Compassion, Connection, Integrity, Excellence, and Resilience

### FOCUS AREA 1: Student Achievement and Instruction—

We foster achievement and excellence through a student-centered P-12 experience, using innovation, data, and personalized support to prepare students for success.

### FOCUS AREA 2: Student and Staff Safety and Wellness—

We prioritize safety and wellness by improving programs, policies, and resources to foster an adaptable, inclusive environment.

### FOCUS AREA 3: Engaged Families and Community Partners—

To strengthen our educational community, we will focus on key areas that enhance collaboration and support.

### FOCUS AREA 4: Optimized Resources—

We utilize resources fairly and efficiently, delivering high-quality services to meet today's needs while preparing every student for the future.

### CUSD Forward, Our Strategic Plan

The CUSD Board, with Superintendent input, initiated a strategic planning and visioning process in September 2024. **CUSD Forward** is built upon four focus areas designed by stakeholders to ensure student success.

#### Join us as we:

- Ignite a passion for learning in all students
- Connect and engage across our diverse communities
- Earn trust through accountability, transparency, and authenticity
- Build a safe and healthy future
