COMMUNICATION FROM BOARD PRESIDENT:

Mr. Jason Powers noted that school is off to a good start – classes, football and Hall of Fame coming up.

RECOGNITION OF VISITORS/PUBLIC COMMENT PARTAINING TO THE AGENDA:

- Mr. David Hoovler spoke in regards to bus transportation. He noted that the bus will not come down Schell road. For 21 years the bus traveled down the 1.3 mile road and he is not sure why there has been a change in the route. There

is even a place for the bus to turnaround. Now they have to travel to another spot on 368 and this is not a good place to have a Kindergarten student get on a bus. Also, Angela takes care of a disabled person and to coordinate the bus situation is very difficult. He asked the Board to reconsider the stop and consider the safety of the students.

- Angela Hoovler also spoke – she is a caregiver for a disabled individual and there is a conflict between her child’s bus pickup and the disabled person’s bus pickup. There is no berm on the road for her to get off and wait for the bus. She noted that because the stop is elsewhere, she can’t coordinate all pickups because she can’t be in two places at once. The Board Members discussed among themselves the bus travel routes and told Angela that they would get back to her.
- Mr. Edward Byler spoke on transportation – on the first day of school, which was 3 hours in length, they were informed by the bus driver that students will be taken to school but can’t be pick up. So, he called Watson, Inc. and confirmed that Lakeview won’t bring the students home. He was asked by the Board – which school are you talking about and he replied Valley View School. Mr. Gage Bartholomew asked Dr. Wolfe to please look into this situation because we have to provide transportation. Mr. Byler asked - what happens when Lakeview and Amish school schedules are different. Dr. Wolfe replied - we will provide unless there is a weather cancellation. Mr. Byler also asked about Vocational pickup too.
- Mr. Noah Yoder asked is there is any possibility that the children could be picked up at the house. It is not safe for the children to walk a ½ mile. The last 2 years, the bus did pick them at the house and the driveway will be graveled so it is not icy in the winter.
- Mr. Travis Elder noted that he submitted a suggestion for his situation to Mr. Jason Powers. He believes it is only a 5 minute change to the bus schedule.
- Dr. Adam Saeler suggested to restart the Transportation Committee to discuss some of these situations and look at spending a little of the savings.
- Mrs. Martha Ryan suggested that maybe the Amish should look at switching schools for some students to help aid in transportation.
- Mr. Jason Powers noted – there is always room for improvement and we can look at the routes. There could be issues if we start changing the routes now.

- Dr. Adam Saeler noted that there should be more concern for safety rather than convenience.
- Mr. Byler noted that last year, another bus company picked up the Amish students and transported them. Dr. Wolfe said that he would look into that and why it was done that way.

Mr. Beggs replied yes. Mr. Powers noted that it is an entry to the gym and a safety hazard. Maintenance has attempted to fill the cracks every year but they need to be fully repaired. Mr. Beggs noted that the low bidder could begin the work in October. Mr. Galentine asked about the students coming in and out of the building.
