August 2025

Dear Career Technical Education Student:

I hope you have had a relaxing, fun-filled summer! Your Career Technical Education programs will be starting soon! Please see below for the starting dates of your programs:

Euclid Hosted Programs: Monday, August 18th

Mentor Hosted Programs (Including offsite Mentor programs): Monday, August 18th.

Lakeland Community College - Welding 1 and Welding 2: Monday, August 25th

Lakeland Community College - Criminal Investigations: Tuesday, August 26th

Lake Erie College (HVACR): Monday, August 25th for M.W class, and August 26th for T,Th class)

Enclosed is important information which should answer many of your questions on how to coordinate being in two schools. Please note information regarding open houses and also registration for out of district students. Students must be registered with the district that houses the program and will be unable to attend the program until registration has been completed.

Please visit www.mentorcareeracademies.net website for up to date information regarding your Mentor CTE programs or www.euclidearlycareer.org website for information regarding your Euclid CTE programs.

If you have any further questions related to the start of school, please call the Career-Technical Education office at 440-974-5336. For any other questions, please contact me throughout the year at 440-974-5353.

Sincerely,

Mrs. Christl Wolf - Principal - Career Technical Education

CTE Location Specific Information:

Euclid and Wickliffe Students in Mentor Hosted Programs:

If your start date at your home school is different, and you are to attend your home school classes as scheduled. All CTE classes at Mentor begin August 18th. Please note that you are to follow the Mentor calendar and are required to attend your program at Mentor even on the days that your home school does not have classes. Your home district will provide transportation to and from Mentor on these days. Please check with your Transportation Department regarding any transportation issues. All transportation phone numbers are enclosed. The only exception is when your home school district cancels school due to a calamity day. On these days, you are not permitted to attend your CTE program at Mentor High School.

Mentor Students in Euclid Hosted Programs:

All CTE classes at Euclid HS and Memorial Options begin August 18th. This is the same day as Mentor Schools this year. Please note that you are to follow the Euclid calendar and are required to attend your program at Euclid even on the days that your home school does not have classes.

The senior bus leaves at 11:25 a.m. from the flagpole in front of Mentor High School. Please make sure you arrive at least 5 minutes before your bus is to leave. Senior students may drive to and from their program as long as they meet the qualifications for obtaining a parking pass for Mentor High School and have parent permission. Students driving to Euclid will also need a Euclid parking pass, which is free as long as you provide evidence of your Mentor parking pass.

Please note that you are to follow the Euclid calendar and are required to attend your program at Euclid even on the days that your home school does not have classes. Your home district will provide transportation to and from Euclid on these days. Please check with your Transportation Department regarding any transportation issues. All transportation phone numbers are enclosed. The only exception is when your home school district cancels school due to a calamity day. On these days, you are not permitted to attend your CTE program at Euclid High School.

All Students in Mentor Construction, Mentor Fire EMT, Automotive, CCP Welding, CCP Criminal Investigations and CCP HVACR:

Your home school will provide transportation to and from your high school to your program locations. Students may also drive if they have completed the CTE Driving Permission via the parent portal, obtained a Parking Pass through the School Store, and received approval from their Home District Administrator.

Transportation Information:

We have been working closely with Mentor Transportation to ensure smooth transportation for students attending CTE Programs at Euclid High School and returning to Mentor High School. We are pleased to inform you that Mentor Transportation has confirmed their ability to provide a bus to transport students back from Euclid CTE programs at 2:30 pm to Mentor High.

However, please note that due to students arriving back at Mentor High around 2:50 pm, they will be required to arrange their own transportation home from Mentor High. To assist with this, we have made the following arrangements:

- **Parking Passes:** Any senior student at Mentor High School enrolled in a CTE program housed at Euclid will be eligible to obtain a parking pass for both Mentor High School and Euclid High at no cost. This will allow students to have their own transportation to and from Mentor High. Students must provide a copy of their Mentor High School parking permit to EHS Security in order to receive the Euclid High School parking pass at no cost. Mentor Parking Permits are available online through the school store and must be obtained each school year. Euclid Parking permits are obtained in the EHS security office.
- **Laketran:** We are also pleased to inform you that all students at Mentor High School are able to ride Laketran at no cost. This provides an additional transportation option for students attending CTE Programs at Euclid High School.

We understand that these changes may require adjustments to transportation arrangements and appreciate your understanding and flexibility during this transition. If you have any questions or concerns regarding transportation, please feel free to reach out to Mrs. Christl Wolf at wolf@mentorschools.org or call the CTE office at 440-974-5336.

We are committed to providing the best opportunities for our students' success and are grateful for your cooperation and support in implementing these changes. We believe that these adjustments will enhance the educational experience for our seniors and prepare them for their chosen career pathways.

Your Future Starts Now!

Frequently Asked Questions

1. What do I do if I am absent and attend a program in my own district:
 - a. For students attending a Career Tech program at their home high school (i.e. Euclid at Euclid or Mentor at Mentor/Lakeland)...Follow the regular attendance policy.
2. What do I do if I am absent and attend a program in another district (i.e. Euclid student at a Mentor program or a Mentor student at a Euclid program)
 - a. Attendance will be taken at both your home school and Career Tech program site In the event you are absent, parents must call both their child's home high school and their Career Tech program site location.
3. What calendar do I follow?
 - a. Students are to follow both their home school district's calendar and their Career Tech site location district's calendars. If your home school does not have school due to a scheduled break or teacher in-service you are required to attend your Career Tech program if it is still in session.
4. What happens on a Calamity Day (SNOW DAY)?
 - a. If a home district cancels school for any reason students will be excused from their career tech program regardless of location. Students are not permitted to attend their career tech program if their home district cancels school.
5. What should I do if I have a meeting for a club during the time I am in a CTE program off site?
 - a. Students should not miss their program time to attend extracurricular meetings. Being in a Career Technical Program means that you are dedicating a large amount of time (in many cases a half day). Missing even one day means missing many days worth of content. Please ask your club or Activity sponsor if they can provide information to you at a different time than during your class. We are confident that your coach or advisor will make accommodations for you. - Absences such as these will not be excused unless PRE-APPROVED by an administrator.

Career-Technical Education Transportation Guidelines

1. School Transportation is provided for all Career-Technical Education students.
2. ***Mentor Parking Passes:*** *Students who attend Euclid based CTE Programs* - Mentor Parking passes will be provided at no cost to students if needed, due to the late schedule at EHS. Please log on to Mentor's IC and complete the Application for Student Parking and contact Mrs. Wolf with any questions. All other Mentor students enrolled in CTE Programs are required to purchase parking passes if they would like to drive and park at MHS. Euclid and Wickliffe Seniors may purchase MHS parking passes if they are available. You must have a parking pass to drive and park at MHS. NO WICKLIFFE JUNIORS may drive to MHS - Parking Passes are NOT available to Wickliffe Juniors.
3. Occasionally, students miss their connecting bus to their program. If a student on the bus to their home high school sees that the bus may be running late and the possibility exists that they may miss the bus to their program, please have them notify the bus driver so that he/she can radio the connecting bus to wait.
4. If the bus is missed, the student should report to their assigned principal or CTE Coordinator, so that the student would not be considered absent from school. Every attempt will be made to assist the student in getting to their program. **NOTE: this is considered an unexcused absence from their CTE program.**
5. **All CTE Work-Based Learning, Cooperative Education, and Interning students whose program includes opportunities for offsite work-based learning must provide their own transportation to their work-based learning experience and/or clinical experience.**
6. **No student is allowed to drive on any field trip.**
7. During times when your home high school is not in session, but your CTE program district is in session, transportation will be provided from your home high school to the program location and back. It is the student's responsibility to arrange for transportation to and from their home high school and their home.
8. The Board of Education requires that student safety and welfare be ensured during the times students are being bused to school. The Board holds that busing is a privilege, not a right, which may be removed from any student who violates the rules of the District or who conducts himself/herself in a manner which is considered dangerous to persons or property or a threat to the safe operation of the school bus.

The school bus driver shall be responsible for discipline of students while they are being transported to or from school. When a problem in student conduct requires stringent discipline, the driver shall report it in writing to the building administrator. A student may be suspended from bus transportation by the building administrator for disciplinary reasons up to a maximum of ten (10) days in which case, the parents are responsible for the student's transportation. Continued problems will result in removal from the Career Technical Education programs.

Students suspended from bus transportation shall be given written notice of their suspension and the reasons therefore, and an opportunity to appear at an informal hearing to answer the charges against them. Students whose conduct on the bus is so grievous as to consider expulsion from bus transportation shall be provided with the hearing privileges of R.C. 3313.55 (B), (D), (E).

Students whose conduct on the bus is an immediate danger to persons or property or a threat to the safe operation of the school bus may be removed as soon as possible from the vehicle and shall be given notice as soon as possible of a suspension hearing which must be held within seventy-two (72) hours of the removal. Removal from the Career Technical Education program will also be considered.

Students Driving

Frequently Asked Questions (F.A.Q.)

1) Who can drive to a program?

A. Broken Down by Campus:

- Mentor Programs
 - MHS students can drive if they qualify for a parking pass (see Mentor form for qualifications)
 - Out of District Juniors **ARE NOT ALLOWED TO DRIVE TO MENTOR.**
 - Lakeland Programs:
 - MHS students can drive to programs if they qualify for a parking pass
 - Euclid Programs:
 - MHS Seniors can drive to program if they qualify for a parking pass
 - Lake Erie Programs:
 - Information not available at this time
-

2) What do I need to fill out to drive?

A. In order to drive to program, students need to complete the following:

- **Mentor Hosted Programs and all Mentor Students:**
 - Complete the Permission to Drive and/or Passenger Forms.
 - Parent/Guardian needs to log into the [Parent Portal](#).
 - School Store > Mentor High School > MHS Parking Permit > CTE Driving Permission
 - Parent/Guardian is required to sign
 - Students who are driving need to complete both the CTE Driving Permission and MHS Parking Permit.
 - Students who are passengers need to complete the CTE Passenger Permission.
 - **Euclid Hosted Programs for Euclid and Wickliffe students:** Please see your instructor for a permission to drive form
-

3) Are there exemptions for parking passes?

A. Yes! MHS Students in Euclid based CTE programs are entitled to a free Mentor Parking Pass due to the late return to MHS at the end of the day. You must still follow the directions to apply for the parking permit through the school store.

4) Is there a cost for these passes?

- A. The Mentor High parking pass has a \$50.00 fee.
- B. Euclid - No fee, as long as you have an MHS parking pass to show. Students must apply for the MHS parking permit through the school store, however.

OUT OF DISTRICT REGISTRATION

Congratulations! Welcome to the Lake Shore Compact!

We are excited to have you join us in the fall. But before you do, we need to be sure you are registered in the appropriate place. Please take a moment to read the following and register as necessary. If you have any questions regarding this process, feel free to reach out to the CTE office.

IF YOU ARE A **WICKLIFFE STUDENT ENROLLED IN ONE OF THE FOLLOWING MENTOR-HOSTED PROGRAMS, YOU MUST REGISTER AS A CAREER TECH STUDENT IN MENTOR SCHOOLS:**

- Allied Health at Mentor
- Automotive Technologies
- Construction at Mentor
- Entrepreneurship and Marketing
- Business Administration
- MBA 2
- Mentor Fire EMT Academy 1
- Programming & Software Development
- Teaching Professions at Mentor

Please follow the directions below.

1. Please go to
<https://mentoroh.infinitecampus.org/campus/apps/olr/application/login/kiosk-app-type?configGroupID=37>
2. Click on START NEW REGISTRATION and then NEXT
3. Complete the necessary fields and then click "Begin Registration."
4. You will receive an email that will provide a link to re-enter the online registration and continue / complete the registration process.
5. Once registration is complete, you will receive an email with an invitation to open a Mentor Parent Portal (if you do not already have one). The Parent Portal is required for all Parents of students in Mentor CTE Programs in order to access grades, fees, etc. It is different from the Euclid and Wickliffe Parent Portals.
