

# Norman Rockwell Elementary

## Construction Update #08

October 1, 2025

Rebuild & Enlarge Construction Timeline: April 2025-December 2026

As we welcome fall at Rockwell Elementary, we are full speed ahead on placing the concrete for level 1 floors and soon the structure will begin to rise vertically. Your new elementary school is made of many different materials, including wood, steel, concrete, glass and stone. What would your dream school be built out of?

You may have noticed the new sidewalk on the south side of the school grounds. This is allowing the construction team to bring in the new water line and electricity that supplies your new school with fresh drinking water and power. Be sure to look both ways when using the new crossing locations!

Please reach out to Ina Holzer or Ryan Ota with questions and/or requests for information (contact information below).

### Project Team:

LWSD Senior Project Manager, Ina Holzer, [iholzer@lwsd.org](mailto:iholzer@lwsd.org)

LWSD Project Manager, Ryan Ota, [c-rota@lwsd.org](mailto:c-rota@lwsd.org)

Lydig Site Superintendents, Jason Schmidt and Steve Fromm

Lydig Senior Project Manager, Ian McDonald

### What To Expect During Construction

More concrete work and going vertical with the structure

#### Working Hours:

Standard working hours:

7 a.m. – 4 p.m. Monday-Friday

Throughout the course of this project, construction may occur late and/or on work weekends to maintain schedule.

In those circumstances, we will abide by the City of Redmond's noise and work hour ordinances (as follows):

7 a.m. – 7 p.m. Monday - Friday

9 a.m. – 6 p.m. Saturday

Not allowed on Sunday/Legal Holidays

#### Deliveries:

The primary construction entrances will be on 162nd Ave NE. Deliveries will not be allowed outside of our working hours. Deliveries will not occur during pick up and drop off times.

#### Noise & Vibration:

Lydig adheres to all local and state noise codes. Heavy machinery and construction equipment shall not be operated during non-working hours. Trucks and equipment idling will not be permitted to idle on site before 7 a.m. Please note the back-up alarms on our vehicles and equipment are required by WISHA and cannot be disabled.

#### Personal Conduct:

All Lydig employees and subcontractors undergo a mandatory safety and personal conduct orientation meeting. This includes, but is not limited to, site regulations on language, harassment, music/radios, tobacco use, litter and leaving/entering the job site.
