

What is a School-Parent Compact?

Our School-Parent Compact is a written agreement between parents, students and teachers developed together. It explains what families and schools can do to help children reach grade-level standards. This compact provides strategies to help connect learning at school and at home.

An Effective Compact:

- ✓ Links goals to the school improvement plan.
- ✓ Focuses on student learning skills.
- ✓ Describes how teachers will help students develop those skills using high-quality instruction.
- ✓ Shares strategies parents can use at home.
- ✓ Explains how teachers and parents will communicate about student progress.
- ✓ Describes opportunities for parents to volunteer, observe, and participate in the classroom.

Jointly Developed

The parents, students and staff of H.G. Weaver Middle School have developed a School-Parent Compact for Academic Achievement. Teachers suggested home learning strategies, parents added ideas to make them more specific, and students told us what would help them learn. Meetings are held each year to review the compact and make changes based on student needs. Parents are welcome to make comments at any time.

Activities to Build Partnerships

The following actions will be taken in order to promote partnerships:

- Fall and Spring Open House
- Family Fun Nights and Workshops
- Family and Community Engagement (FACE) Forum
- Moving Forward Ceremony for Rising 9th Graders
- PTO Events, quarterly
- Volunteering/Observing Classroom Activities
- Community Partnerships

Parents and family members are encouraged to volunteer and spend time in their child's classroom.

Feel free to stop by the front office to pick up a volunteer packet or call to arrange a school visit.
