- A. Pathways Cell Phone Policy and Board Policy. It has been in place since the beginning of this semester. Student opinion, Tessa- Giving students the choice of keeping them in the backpack is helpful. Evelyn- feels there is less resistance to follow the rules now. Ms. Healy- there is some inconsistency with some classrooms, but we have seen progress where students are more focused. Ms. Messina- the cell phone policy helps with keeping students on track especially as many will not work outside of class hours to complete math.
