RE: Every Student Succeeds Act (Public Law 114-95), Section 1112 (e)(1)(A) for the
2025-2026 school year

Dear Parent/Guardian:

You have the right to know about the teaching qualifications of your child's classroom teacher in a school receiving Title I funds. The Federal Every Student Succeeds Act (ESSA) requires that any school district receiving Title I funds must notify parents of each student attending any school receiving Title I funds that they may request, and the district will provide the parents on request (and promptly), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following:

- I. Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
- II. Whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
- III. Whether the teacher is teaching in the field of discipline or the certification of the teacher;
- IV. Whether your child is provided services by paraprofessionals and, if so, their qualifications.

At this time, all of our teachers have met the State qualification and licensing criteria for the grade levels they teach. You may request additional information. All requests must be made in writing and should include the following information: student's full name, legal parent/guardian's full name, address, city, state, zip code, and teacher's name. Your request can be sent to:
