

ONE MISSION ONE PARMA 137

ALL means ALL

At Parma School District are working to ensure high quality learning for every student, every day, regardless of skill or ability. No matter where students start, we want to see them make individualized gains every day. Small steps forward lead to massive growth over time. At Parent/Teacher conferences, don't forget to ask these questions:

- How is my child learning/growing over time?
- Are they on on target to meet a year's worth of learning by the end of the year?
- What can we do at home to help practice skills at our child's level?

MISSION

Parma School District #137 will provide a solid foundation of knowledge and skills on which students can build a rewarding career and life of purpose. The district will provide a collaborative community for students; supported by staff, parents, and community members, to assist them in reaching their goals.

VISION

Parma School District #137 envisions a learning environment where staff members possess a vision of educational excellence for all students, while communicating regularly about student needs in order to improve programs, instruction, and student performance.

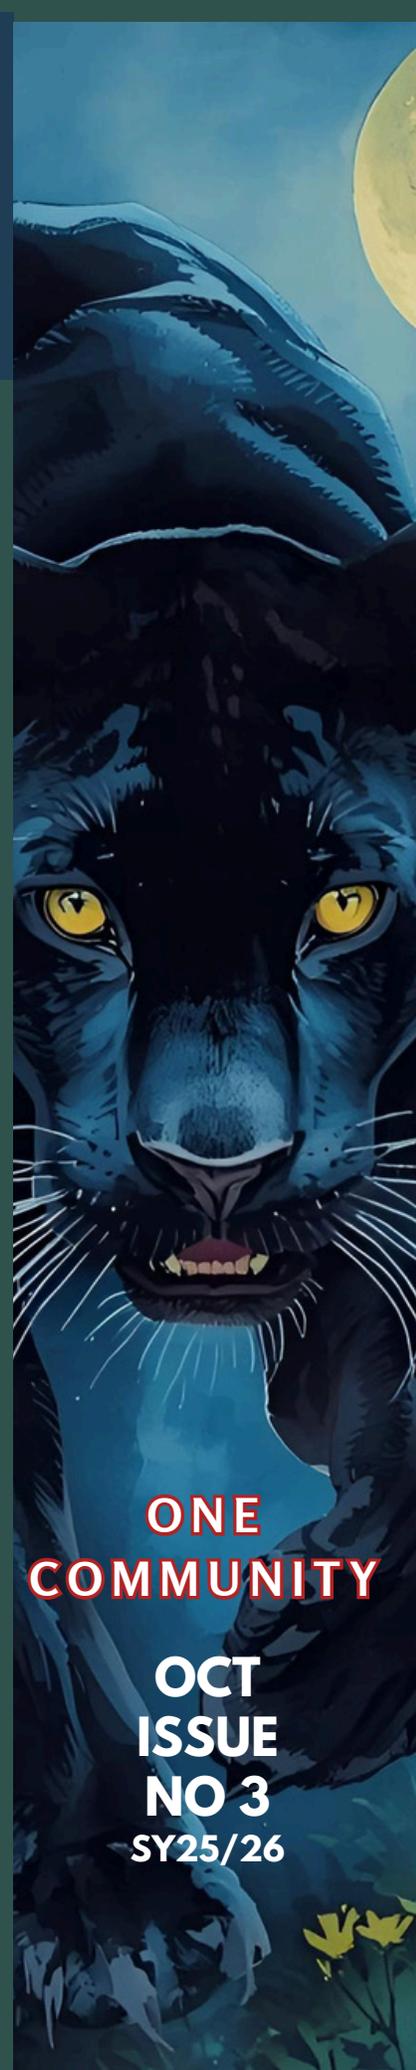

GET INVOLVED

Parents and community members are critical partners in our mission to provide a solid foundation for the students in our district. Your voice is not only important, it is vital to ensuring we are working toward a common mission and goals. Here are some ways you might consider getting involved.

- Join the Parent Involvement Team at the school. Email the principals for more information.
- Apply as a substitute. This helps ensure that we have engaged staff in classrooms with students when our teachers are out sick or are at professional development. Contact our District Office for more information.
- Serve on a District Team with our superintendent (Strategic Planning, Calendar Planning, Athletic Council, Facilities Planning) email Mr. Doramus for more information.
- Apply as a formal volunteer. This process allows us to ensure the safety of our staff and students. Formal volunteers allow for more flexibility around field trip and school supervision. Positions include (Crossing Guards, Playground Duty, Lunchroom Duty, Chaperones, etc.)
