

Fairview Alternative High School Parent and Family Engagement Plan

School Year: 2025-2026

Fairview Alternative High School is committed to the goal of providing quality education for every child in this district. We want to establish partnerships with parents and with the community. Everyone gains if school and homework together to support high achievement of our children. We can't do this job alone. Parents and families play an extremely important role as children's first teachers. Their support for their children and for the school is critical to their children's success at every step along the way.

Part I. Description of how the District and School will Implement Required Components

1. Fairview Alternative High School will engage parents and families who have Title I students in developing/revising the district and school policy.

We will engage parents and families of Title I students through multiple inclusive and accessible strategies to ensure their meaningful involvement in shaping district and school policies, especially those related to reading achievement. These efforts will include:

- **Regular Communication and Invitations:** We will send out clear, timely invitations to all families of Title I students to participate in annual Title I meetings, parent advisory councils, and family engagement nights focused on literacy.
- **Parent Advisory Meetings:** We will host at least one advisory meeting per year where families can review current policies, provide input, and suggest revisions related to reading support services and curriculum. Translation and interpretation services will be offered as needed.
- **Surveys and Feedback Tools:** Families will be invited to complete surveys or provide feedback (online and paper-based) regarding school reading programs, family engagement strategies, and policy updates. Results will be shared transparently and used to guide decision-making.

- **Student-Led Conferences and Literacy Nights:** These events will encourage families to connect more deeply with their student's reading progress and provide a platform for gathering informal input on school practices and needs.

2. Fairview Alternative High School will convene an annual meeting, at a convenient time, when the parents and family members of participating children are available to attend. The Title I annual meeting will inform parents/families about the Title I program, explain the requirements of parent and family engagement and the rights and responsibilities of the parents to be involved.

We will host a meeting at our Open House Night on August 27 from 4:00-6pm. If families

cannot attend, a Zoom meeting will be held for individuals if needed.

Title I Family Plan will be available to all families at each of our 5 Family Nights/conferences throughout the school year.

3. Fairview Alternative High School will offer flexible meeting times during morning, during the school day, evening or weekends and may provide transportation, childcare or home visits.

The compact should:

1. Describe the curriculum and instruction that help their student meet the state standards, identify where their child is performing and discuss ways the parent can support their child's education at home and at school.
2. Talk about the importance of the teachers and parents communicating on an ongoing basis at a minimum:
 - a. Conduct a parent-teacher conference in elementary schools, at least annually, during which time the compact is discussed as it relates to the individual child.
