

September 10, 2024

The K-5 ELA Adoption Committee convened to recenter our work on our literacy vision to connect to our work of selecting a K-5 tool to be implemented in Fall 2026. Members reviewed updates on OSPI ELA Standards. Members participated in learning to increase their understanding of bias and examined the impact of biases through student experiences. Members began the process of screening potential curricular tools for bias.

October 11, 2024

The K-5 ELA Adoption Committee continued to evaluate potential pilot materials with the evaluation rubric to narrow the options and move toward selection of tools to pilot.

December 12, 2024

The K-5 ELA Adoption Committee continued the process of reviewing curriculum with the committee developed rubrics.

April 13, 2025

The K-5 ELA Adoption Committee reviewed submissions, and the committee made the decision to hear from three vendors, American Reading Company, Benchmark Advanced, and McGraw Hill Literacy Emerge!

June 14, 2025

The K-5 ELA Adoption Committee was presented the three curricular tools from the vendors and used the gradients of agreement model to identify two curricula to pilot – Benchmark Advanced and McGraw Hill Literacy Emerge!
