Dear Franklin Elementary Families,

Welcome to Franklin Elementary School, a proud part of the **Franklin-McKinley School District** and home of the **Franklin Patriots**! Whether you're a returning family or new to our school community, we're delighted to have you with us.

As your principal, now in my third year at Franklin, I feel truly honored to lead a school where every child is celebrated for who they are and encouraged to reach their fullest potential. At Franklin, learning occurs most effectively when students feel safe, seen, and valued. We embody our **core values of Community, Responsibility, and Respect** every day.

We're proud to serve approximately 500 outstanding students in grades TK through 6, and we're especially excited now to offer two Transitional Kindergarten (TK) classes. As a former TK teacher myself, I've seen firsthand how this early learning experience helps our youngest students build a strong academic and social-emotional foundation.

Our dedicated team of 50 staff members collaborates to create a welcoming and inclusive environment where every child can thrive. You'll find passionate teachers, caring support staff, a friendly new part-time librarian from FMUSD, and a helpful front office team always ready to partner with you in your child's education.

As Franklin Patriots, our students are leaders, learners, and kind citizens of the world. A Patriot is someone who stands up for others (an upstander), takes pride in their school and community, and uses courage and compassion to do what's right, even when it's difficult. At Franklin, we care deeply, work hard, and always support each other!

Our Mission: Franklin is a multicultural learning environment where students' differences are celebrated and supported academically, socially, and emotionally, enabling them to achieve success both inside and outside of the classroom.

Our Vision: We strive to be a diverse learning community where students celebrate differences, show empathy toward others, and actively employ growth mindsets to solve problems, thereby creating a more just and evolving world.

Thank you so much for choosing Franklin Elementary School. We can't wait to learn and grow together this year and in the years ahead!

Warm regards,

Kristen Kovac

Family Communication

Communication is key! Your child's teacher and the school must be able to communicate with you. For us to do so, we will need to have the most current information available for the following:

		
Email	Cell Phone Number	Mailing Address

Please contact the Front Office at (408) 283-6375 if the above information changes. Having a current working phone number on file is essential in an emergency.

Allow teachers two days to respond when contacting your child's teacher. Please note that teachers will be unable to respond during instructional time.

Franklin Elementary School and its teachers utilize a communication application called **ParentSquare** to stay in touch with families regularly. All school announcements and weekly newsletters will be sent through **ParentSquare**. We ask that families download the application onto their phones to stay connected with their child's teacher and the school. You can also sign up for **ParentSquare** at https://www.parentsquare.com/join_school/new. If you need assistance, please contact our school staff.

ParentSquare

Our school website will be regularly updated. For the latest information, families can visit franklin.fmsd.org.

To gather feedback, we will send out **trimestral Panorama Surveys** for families and students to complete. We appreciate your participation in advance. Surveys will be distributed via **ParentSquare**.

Additionally, teachers may utilize various apps to communicate with parents, such as **ClassDojo**.

Front Office Hours:

Monday through Friday - 8:15 AM to 3:45 PM (excluding holidays and breaks)

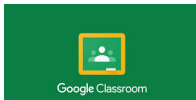

- Our secretaries are happy to help during office hours.
- Please ensure that you pick up your child/children on time or make arrangements for assistance. They are not responsible for taking care of your child/children after dismissal.

Instruction and Learning

Teachers will use our adopted curriculum, which is aligned with the [California Common Core Standards](#). Below is a table indicating our curriculum:

Subject	TK/K	1	2	3	4	5	6
ELA	Journeys Reading Program						Collections
Math	Eureka Math						CPM
Science	Amplified Science						
Social Studies	TCI						
Social-Emotional Learning	Energy Bus for Schools , Second Step , Zones of Regulation						

To support learning, teachers might post class assignments via an online platform for students to practice and complete assignments:

Grades K - 2		Grades 3 - 6	
--------------	---	--------------	---

Additionally, to support individual student learning needs, teachers will use the following blended learning programs with students:

The teacher will provide feedback on all student work, grade it, and give assessments to check learning progress.

Family Support

We look forward to working in close partnership with the families and students we serve. There are monthly Principal Coffees, School Site Council, and annual family events (*Back to School Night, Movie Night, Trimestral Awards Assemblies, Fall Festival/Movie Night, Lunar New Year Festival, Math Night, Fun Run, Campus Beautification, Multicultural Festival, Teddy Bear Picnic, Open House, Kindergarten Promotion, 6th Grade Promotion*). **If you would like to add an event, please contact the principal.**

To help families as their students engage in school, we suggest that families follow these guidelines:

- ★ **Establish a routine at home to support learning** (e.g., have a regular bedtime and wake-up time).
- ★ **Check online communication daily to keep up to date on assignments or notifications.**
 - Discuss with your student's teacher how you prefer to communicate.
 - If needed, ask for help accessing communication through ParentSquare.
- ★ **Ensure your student completes their assignments with integrity and academic honesty** (Students should always turn in assignments with their thoughts and work).
- ★ **Ask teachers, school staff, or others for help if you need it.**
 - Teachers and school staff want to know your questions and concerns.
 - If you think your child may be depressed, anxious, stressed, or in need of wellness services (i.e., counseling), or if your family has basic needs (e.g., housing, legal services, food, etc.), please reach out to your teacher or the front office.

Parent-Teacher Conferences

Parent-teacher conferences are held twice a year.

All parents are expected to attend meetings to learn whether their child meets grade-level standards.

Visiting School

- Parents and guardians, as well as guests, are required to report to the office when visiting the Franklin campus.
- Please contact the teacher beforehand to schedule a mutually convenient time.
- Sign in at the office and obtain a visitor's badge.
- If you would like to bring birthday treats for your child, please coordinate with your child's teacher in advance. We have students with allergies and religious beliefs that we must take into consideration.

Communication

- Parents or guardians must communicate with the teacher first whenever possible.
- If the situation does not improve, then an appointment may be made with the principal.
- Parents and guardians must communicate with calmness, patience, and kindness.

Attendance

Consistent attendance is one of the most critical factors in students' academic growth and success. Students are expected to attend school every day. If your student is unable to attend, please notify their teacher and our front office at (408) 283-6375 or shareen.foronda@fmsd.org. Ms. Foronda will note the reason for the absence. The office is equipped with a 24-hour voicemail answering system. **When calling about your child's absence, please provide the following information:**

- Student's name and date of absence.
- Reason for absence (illness, family emergency, medical appointments, etc).
- Relationship of the caller to the student (parent, guardian, etc).

Important Note:

- **Doctor's Note:** If your child is out sick for more than three consecutive days, please submit a doctor's note.
- If your child needs to be out for **more than five days**, please contact the front office to discuss the possibility of short-term independent study.

Short-term Independent Study:

- You must notify your child's teacher **5-10 school days in advance of** the dates they will be absent to ensure their teacher can prepare the academic packet.
- Your child must submit his/her completed academic packet.
- Short-term Independent Study is for **15 school days**

Additional resources and information for parents on how to support your child's school attendance can be found on AttendanceWorks.org

State law [ED Code, Sec 43504f] requires that school districts have written procedures for tiered re-engagement strategies for students with frequent absences. Franklin Elementary School and the Franklin-McKinley School District will seek to communicate the importance of attendance to families, help families find solutions, and connect them with resources to reduce absenteeism.

DISTRICT DRAFT PLAN - Tiered Response to Support and Engage Families		
• Tier 1 (Universal): One absence in a week • Tier 1 (Personalized): Two absences in a week	• Tier 2 (Early Intervention): 3+ absences in a week or 5+ absences in a month	• Tier 3 (Intensive Support): Five absences in a week or 12+ absences in a month
(1) The teacher will contact the family (2) The secretary will contact the family and those on the emergency contact list	*School administrators and school social workers/counselors *School staff will work with families to devise an attendance improvement plan *Home visits should be conducted	*School-linked-services referral *District staff outreach *Home visits should be conducted

CELL PHONE POLICY → Franklin School is a NO CELL PHONE ZONE!

August 2025

Dear Franklin Families,

As educators and caregivers, we share a common goal: supporting the healthy development, safety, and success of every child. Over the past few years, we've seen firsthand how smartphones and smartwatches can distract students from learning, impact their mental well-being, and interfere with face-to-face social interactions.

To ensure our school remains a place where students can focus, connect meaningfully, and feel safe, we will be implementing a No Cell Phone/Smartwatch Policy for the 2025–2026 school year.

Franklin Cell Phone / Smartwatch Policy

- Students are required to leave their cell phones and smartwatches at home.
If you need to reach your child during the school day, please call the front office at (408) 283-6375.
- Exception process:
If you believe your child must carry a phone or smartwatch for safety reasons, a signed contract (by both the parent/guardian and the student) must be submitted and kept on file in the office.
- Devices brought to school must be:
 - Powered off before boarding the school bus and on the bus
 - Turned into the teacher at the beginning of the school day
 - Remained off and stored until students are off campus or at the designated pick-up area
- Devices may not be used:
 - At any time on campus (including before/after school, in hallways, classrooms, restrooms, or playgrounds)
 - During after-school programs like CORAL, Kindness Club, Girl Scouts, and the Green Team
 - While waiting in the bus lines and on the bus
- If a device is seen or heard on campus:
 - It will be confiscated, and only a parent or guardian may retrieve it from the front office.
 - No warnings will be issued. A second infraction will be recorded as defiance in the student's permanent record, and the contract will be revoked.

Your child's safety is never dependent on having a personal device at school. Our campus is equipped with landlines in every classroom and office, and our staff is fully committed to student safety and supervision.

Most importantly, enforcing this policy protects your child from being filmed, interrupted during learning, or having their image shared on social media without consent. We believe deeply in protecting your child's privacy, focus, and mental well-being—and in creating an environment where all children can thrive.

Thank you for partnering with us in supporting your child's growth and success.

In partnership,

Ms. Kovac and the Franklin Staff
