The School

Maria Carrillo High School (MCHS), a two time California Distinguished High School, is one of five comprehensive high schools in the Santa Rosa City School District. The largest district in the northern San Francisco Bay area serves 15,000 TK-12 students. The school is named for the widow, Maria Carrillo, who established a Rancho for livestock and farming with hundreds of employees in 1838. MCHS currently enrolls 1,600 students in grades 9-12, and the student to counselor ratio is approximately 400:1. The school received its first regular accreditation by the Western Association of Schools and Colleges in 1999.
