Title I Brochure

Mission Statement

Killian Elementary School, with the support of its parents and community, dedicates itself to providing an innovative curriculum in a safe, nurturing environment that will prepare students to be productive citizens in a global society.

Dr. Kim Moore, Superintendent
Stacey Franklin, Principal
Marlena Council, Assistant Principal
Michelle Evans, Assistant Principal

Purpose of Title 1

The purpose of Title 1 is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and assessments.

The Title 1 program offers a variety of services, which may include: additional teachers and support staff, extra time for instruction, a variety of teaching methods and materials, smaller classes, and additional training for staff.

Qualifications for Title 1

Schools qualify for funds based on economic need. All Richland County schools follow the School-Wide Title 1 Program Design.

School-Wide Requirements

- Comprehensive Needs Assessment- The school must identify areas of greatest need.
- School-wide reform strategies.
- Strengthen the core academic program. Increase the amount and quality of learning time.
- Develop strategies for meeting needs of underserved populations.
- Address needs of all, but particularly low-achieving students.
- Instruction by highly qualified teachers.
- Professional development opportunities.

Parent and Family Engagement

You can help make important decisions about your child's school by participating in school council meetings, stakeholders' meetings and Title I annual meetings.

Assessments

Several measures are used to determine your child's progress toward meeting the standards. These include standardized tests, benchmark assessments, and teacher developed tests. Results from standardized tests and interpretation of the results are distributed evenly.

Participation

Parent activities, workshops, and trainings are developed around responses to the annual parent survey, as well as needs identified throughout the year.

Parent Rights

- To know the professional qualifications of their teachers, including the degrees and certifications held, and whether the teacher is certified in his/her respective area of instruction.
- To know whether their child is provided services by paraprofessionals, and if so, their qualifications.
- To know the school improvement status of the school.
- To know the level of achievement of their child in each area of the state assessment.
- To be involved in the planning and implementation of the parent engagement process.
