

## **New Construction**

### **Naming of Facilities**

It shall be the prerogative of the Board of Trustees to establish the need and appropriateness for naming any Academy buildings, major portions of buildings, or school grounds.

If the facility/building is named after a person, preference shall be given to the names of persons who have made a significant contribution to The Woodstock Academy. Such contributions may be a result of service or of a financial nature.

The Board retains the right to make the final determination in the naming or changing of the name of buildings, major portions of buildings, or school grounds.
