

## **Community Relations**

### **News Media Relations**

The Woodstock Academy Board of Trustees believes that one of its important responsibilities is to keep the community informed about operations and activities of The Academy. Therefore, the Board of Trustees invites and welcomes the active participation of the media such as the public press, radio and TV.

Information concerning The Academy's operation may be made available by the Head of School to the press. The Head of School may direct an inquiry to the Associate Head of School or another individual who is knowledgeable about the inquiry.

The Head of School will plan for periodic releases to the press and other community media which will provide information to the community concerning The Academy and various aspects of The Academy's program.
