

USE OF OUTDOOR FACILITIES COVID-19 ADDENDUM

Your Permit Application and Plan for compliance with the “Interim Guidance for Sports and Recreation during the COVID-19 Public Health Emergency” must be accompanied by this form.

As a result of the Coronavirus Disease 2019 public health emergency (“COVID-19”), the School District is required to ensure that organizations utilizing its facilities for sports and/or recreation activities adhere to minimum standards and precautions to protect against the spread of COVID-19. Specifically, no sports and recreation activity can occur without meeting the minimum State standards, as well as applicable federal requirements, including but not limited to such minimum standards of the Americans with Disabilities Act (ADA), Centers for Disease Control and Prevention (CDC), Environmental Protection Agency (EPA), and United States Department of Labor’s Occupational Safety and Health Administration (OSHA).

The minimum State standards are set forth in the New York State Department of Health’s Interim Guidance for Sports and Recreation During the COVID-19 Public Health Emergency (the “Guidance”) (available at: <https://www.governor.ny.gov/sites/governor.ny.gov/files/atoms/files/SportsAndRecreationMasterGuidance.pdf>), and as may be amended from time to time. Please be advised that the specifics of this guidance is subject to change and the applicant is responsible for keeping its Plan up to date should the guidance change. Any updated to the applicant’s Plan must be on file with the School District. In the event the applicant’s Plan is not updated accordingly, any permit previously issued will be deemed revoked. The State standards apply to all sports and recreation activities in operation during the COVID-19 public health emergency until rescinded or amended by the State.

Applicant is responsible for securing and maintain the attached waiver forms for each participant and individual present for the use of the School District’s facilities outlined in its application and approved permit.

By signing this form, you acknowledge that you have reviewed and will comply with all state and federal standards and requirements, and specifically the New York State

Department of Health's Interim Guidance for Sports and Recreation during the COVID-19 Public Health Emergency.

No organization will be authorized to use schools, facilities, or fields unless they adhere to the abovementioned standards and requirements. If, at any time, it is found that you have failed to adhere to these standards and requirements, the permit will be revoked immediately.
