Alcohol Use on Campus

The Woodstock Academy is committed to keeping its student's alcohol, tobacco, and chemical-free, to supporting Connecticut State Liquor Laws, and to developing opportunities for students to experience school, community, and family activities in an alcohol, tobacco, and chemical-free environment. It is the policy of The Academy that alcohol shall be prohibited at any student event held on one of the campuses.

Additional policies of The Woodstock Academy addressing alcohol, tobacco, and other drugs are covered in the Student Handbooks, Residential Staff Handbook, and the Employee Handbook.

Background

The Woodstock Academy owns facilities that it chooses to use from time to time to host school sponsored development, alumni, athletic, social and community functions. (ex., the Dining Hall, Cultural Center, Annhurst Hall, Head of School Residence, Gymnasium) The Academy's facilities are occasionally used by non-profit organizations, community members, and others for special events.

Objectives

It is the intent of this policy to provide guidelines and requirements to allow for limited alcohol consumption at special events on The Woodstock Academy's campus. It is understood that The Woodstock Academy shall comply with applicable Connecticut State Liquor Laws and is not in the business of selling, distributing, or manufacturing alcoholic beverages.

This policy is in place to protect the safety of The Academy, its students, its visitors, members of the community and the public, users of its facilities, and The Academy's property.

General Requirements

1. Consumption of alcohol on campus must be approved in writing by the Head of School on a case-by-case basis in his/her sole discretion, and the Head of School may impose whatever limitations or conditions on the consumption and service of alcohol he/she deems appropriate.
2. Students or youth under the age of 21 cannot be present in on campus locations where alcohol is served except under circumstances with approval from the Head of School or as an employee of a Licensed Server.
3. The Woodstock Academy is a tobacco-free campus and use of tobacco products is prohibited.

Priorities of Usage

The Head of School approves each request or application for facility usage and reserves the right to deny any request or application for any reason.

Special events shall not displace or disrupt regularly scheduled classes or school/student events.

Special events shall not extend beyond the hours approved in the application or request and may never extend beyond 11:00 pm.

Generally, Academy events have preference over outside organizations, groups, or individuals for available dates and usage of facilities.

3. The Licensed Service shall also provide a Certificate of Insurance indicating that liquor liability coverage is in force.

If clean-up or damages exceed the deposit, the Applicant/Lessee will be responsible for the remaining balance. If there is no damage, a refund check of the entire amount will be mailed within 10 days following the event.
