

Instruction**Emergencies and Disaster Preparedness**

The Woodstock Academy Board of Trustees recognizes that the health, welfare and safety of its students and employees are dependent upon sound emergency preparedness planning. All employees of the school system are responsible for doing everything in their power to promote the safety of all of the students at all times. All members of the staff shall be prepared to respond immediately and responsibly to any combination of events which threaten to result in a disaster as well as to a disaster when it occurs.

The Head of School or their designee shall use state-approved Standardized Emergency Management System guidelines when developing and implementing a school security and safety plan. Such plan shall be based upon the standards issued by the State of Connecticut.
