Pony Post, October 2025

Havre Public Schools is now working with The Producer Partnership when it comes to providing local beef and pork to our School Foods Program. Local producers can open the link attached here: https://www.canva.com/design/DAGv-JPR39g/SiVpKgiMjM_ywmxHx6BSJA/view?utm_content=DAGv-JPR39g&utm_campaign=designshare&utm_medium=link2&utm_source=uniquelinks&utlId=h52bb210507 to find out how to donate. All producers can work directly with The Producer Partnership when it comes to receiving the tax incentive for their donation.

Next, we are very excited about our new teachers this year at Havre Public Schools. These employees are building excellent connections and making positive impacts with students, daily. Please help us welcome these new teachers to our district when you have a chance to meet them. This year's new teachers are Jacob Bradshaw, Tabitha Geda, Scott Froehlich, Macee Murphy, Greg Rodriguez, Morgan Golie, Jessica Rodgers, Kathy Marker, Valentino Lemoncelli, and Julius Taclibon.

Havre Public Schools is in full swing with all fall events. Havre Public Schools has over 70% of our student population participating in activities. Please refer to our district website <https://www.bluepony12.com/> for a weekly breakdown of all Blue Pony games and events.

If you have any questions at any time, please reach out to me directly!

Sincerely,

Brian Gum
