## 2023-2024 School Accountability Report Card (Published During the 2024-2025 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A hard copy of the School Accountability Report Card is available at your School Office, upon request.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

<b>Admission Requirements for the University of California (UC)</b>	Admission requirements for the UC follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college course work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements, please visit the UC Admissions Information website at <a href="https://admission.universityofcalifornia.edu/">https://admission.universityofcalifornia.edu/</a> .
<b>Admission Requirements for the California State University (CSU)</b>	Eligibility for admission to the CSU is determined by three factors: (1) Specific high school courses, (2) Grades in specified courses and test scores, and (3) Graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses have local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For admission, application, and fee information, see the CSU website at <a href="https://www2.calstate.edu/">https://www2.calstate.edu/</a> .

## School Facility Conditions and Planned Improvements

General

## School Facility Conditions and Planned Improvements

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. This survey was completed on 09/06/2022 and is available at the Facilities, Maintenance and Operations office.

Below is more specific information on the condition of the school and the efforts made to ensure that students are provided with a clean, safe, and functional learning environment.

### Facilities Description

This school has 34 permanent classrooms and 7 portable classrooms. There is a library, a drama theater, an administration area, and physical education facilities. The main campus was built in 1974 and was modernized in 2003. A new gymnasium was added in 2015.

### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

### Cleaning Process and Schedule

The school is cleaned by a team of night custodians and one full-time day custodian. Classrooms are cleaned every other day with restroom, physical education, and food preparation and eating areas cleaned daily. The grounds are maintained by District groundskeeping staff scheduled to be on site twice per week. The day custodian is responsible for cleaning eating and food preparation areas, daily grounds clean up, minor facility repairs, and special emergency clean ups. Carpets are shampooed and tile flooring is cleaned and refinished every winter, spring, and summer break. A thorough deep cleaning of all areas is done every summer. District administration works daily with custodial and grounds supervisors to ensure a clean, safe school.

### Deferred Maintenance Budget

The District allocates funds for deferred maintenance projects which consist of major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior paint, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2022-23	School 2023-24	District 2022-23	District 2023-24	State 2022-23	State 2023-24
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	22	18	33	32	46	47
<b>Mathematics</b> (grades 3-8 and 11)	10	7	23	22	34	35

## 2023-24 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2023-24 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

#### 2023-24 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade 7	97.4	97.4	97.4	97.4	97.4

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2024-25 Opportunities for Parental Involvement

##### Parent Participation:

Successful education requires a strong partnership between parents and the school. To foster this partnership, we encourage parents to be involved in their child's education through regular communication with teachers and school staff. While parent conferences are held in November, we encourage you to talk with your child's teacher throughout the year. You can assist your child's progress by monitoring class work, providing a structured time for homework, reviewing progress reports, and becoming involved in school activities.

The following District and site committees are designed to foster parent involvement:

##### District Committees:

Superintendent's Parent Advisory Council (PAC) – Parent representatives from each school meet with the Superintendent and Senior District Leaders to provide input and collaborate on activities and initiatives in alignment with the District Vision, Goals, and Strategic Planning. The PAC members are the elected Presidents of (PTA/PTO, School Site Council, and English Language Advisory Committee) The PAC meets three times in a school year and additionally as needed.

Learning Environment Task Force (LETF) – This committee monitors a comprehensive plan that maximizes facility use and improves the quality of program offerings at the school. Parent representatives and staff meet as needed.

Local Control Advisory Committee/Title I District Advisory Council (LCAC/DAC) – Is comprised of parents, facilitators from Title I schools, community members and staff. Title I parent representatives are provided an opportunity to not only receive information regarding Title I programs, but also participate in the development of the District's Local Control Advisory Plan (LCAP) by giving input to improve student achievement.

District English Learner Advisory Committee (DELAC) - This committee meets almost every month and provides opportunities for representatives from each school to learn about District and State programs for English learners. We value and encourage community input as we strive to build meaningful relationships between district staff and our families.

## 2024-25 Opportunities for Parental Involvement

**Local Control Accountability Plan (LCAP):** In California, school districts are mandated to create, adopt, and update a three-year Local Control and Accountability Plan (LCAP) annually. The Cajon Valley LCAP Committee actively involves a diverse group of stakeholders—including parents, community members, students, and school and district staff—in the development of the plan. This collaborative process focuses on identifying annual goals, outlining specific actions, and establishing measures of student progress. Input from families, staff, students, and educational partners is essential in guiding decisions about actions and services for all students in the district, with particular attention to low-income students, English Learners, and foster youth.

### School Site Committees:

**School Site Council (SSC)** – Each school has a School Site Council that meets monthly and is comprised of parents, staff, and the principal. The School Site Council makes decisions for the school through the development and implementation of the Comprehensive School Plan for Student Achievement.

The SSC approves categorical budget expenditures focused on improving student achievement.

**English Learner Advisory Committee (ELAC)** – This committee, comprised of parents of English learners, advises principals on the instructional program for students who are learning English.

### School Events:

Each year parents are invited to Back to School Night, Showcase Night and performing arts functions. In addition, our site involves parents through classroom volunteers, PTSA, School Site Council, English Language Advisory Committee, through our Parent Education Classes/Parent Universities and monthly Coffee with the Principal.

### Parent Education:

The Cajon Valley Union School District is committed to supporting families through a strong parent education program. The district and sites offer parent training opportunities which include virtual and in-person single and multiple session workshops that empower parents to support their children with both academic and social-emotional needs. Workshops and classes are based on parent/student needs and parent interests.

The Family and Community Engagement (FACE) Department develops and supports parent education opportunities through collaboration with district departments and site staff members who facilitate parent education workshops.

In addition, the district collaborates with various community agencies to support effective parent education. The district promotes parent education through the San Diego County Office of Education's sponsored conferences, Grossmont Adult Education, the WorkForce Partnership, Grossmont Community College Career Center, California Collaborative of Educational Excellence, and the California Engagement Initiative.

By empowering and educating staff, we are better able to listen to and address the needs of our parents through educational opportunities. The FACE Department provides professional development for school and district staff to help further deepen the collective understanding of what it means to authentically engage families to support their children. Staff trainings include, but are not limited to, an introduction to Family and Community Engagement, Positive Home Visits, developing Family Teacher Teams, and understanding community challenges and barriers.

## 2024-25 School Safety Plan

Montgomery Middle School is focused on providing a positive, safe, and secure learning environment for students, staff, parents, and the community. The site's comprehensive Safe School Plan addresses safety concerns identified through a school wide planning process. The goals and objectives of this plan support a learning environment that allows staff to effectively

teach and students to actively learn. The plan promotes campus safety and focuses on character building and the analysis of the school's physical, social, and cultural environments. Additional components of the plan include information on the site discipline plan and policies; safe travel to and from school; child abuse reporting protocols; school crime data; notifications to teachers of dangerous students; discipline, non-discrimination/harassment, hate-motivated behavior, bullying and sexual harassment policies; and descriptions of strategies that help to develop a safe, positive environment. The site Safe School Plan is updated annually. For the 2024-2025 school year, it was approved by the School Site Council on 11/21/2024 and discussed and reviewed by the staff on 11/18/2024.

The site Safe School Plan also includes routine and emergency disaster information, including the site Emergency Operations Plan (EOP) that aligns site emergency operations procedures with the District Emergency Operations Plan. The site EOP is updated annually.

## Fiscal Year 2023-24 Types of Services Funded

A variety of supplemental services are available at Montgomery Middle School, funded by the school's categorical budgets Title I, Supplemental Concentration, Basic, and Donation. These extra support services include alternative core reading programs, before and/or after school academic programs, such as before and after school tutoring, enrichment activities, aquatics and sports programs through Camp sunset and Camp Sunrise, in classroom assistance, or small group tutoring during the instructional day. Along with the classroom teacher, instructional services are delivered by learning support teachers and English language development assistants.

In addition to academic supplemental services, Montgomery Middle School offers character building and support services for students and families. Character education is promoted through interdisciplinary teams through Positive Behavior Intervention systems (PBIS). Students receive recognition, awards and positive behavior support through ASB and other students leadership programs. A restorative program has been created to allow students to reflect on their behavior, learn from their mistakes and reintegrate back into the classroom.

We also provide students with various elective class choices ranging from World of Work, Dance, Spanish, Yearbook, Broadcast, Photography, Art, and Engineering Science.

## Fiscal Year 2022-23 Teacher and Administrative Salaries

## Professional Development

Each year, teachers and support staff participate in Professional Learning, as indicated in the Comprehensive School Plan for Student Achievement (SPSA), the Local Education Agency Plan and Local Control Accountability Plan (LCAP). Priorities for professional learning are established for teacher and staff training using student achievement data, teacher needs assessment surveys, and observations of instruction. In response to these priorities, sessions are developed to support classroom implementation. Teachers requiring additional certifications to meet student needs are enrolled in appropriate programs.

- Certificated and support staff participate in workshops offered within the District (in person and virtual), offered by the San Diego County Office of Education, local universities or outside vendors as appropriate.
- An online professional learning platform, Cajon 365, which includes Cajon Valley Union School District offerings for the year is accessible to all staff. This includes our district initiatives, safety, mandated training, and professional learning for new staff.
- Professional Learning is available for certificated personnel as well as classified staff members who work with students. Site categorical fund expenditures must be approved by the School Site Council.
- Professional Learning opportunities are offered during summer, winter, and spring intersession (in person and virtual), as well as during the school year. Certificated staff who attend workshops during the year are frequently called upon to present relevant information and teaching techniques during site and district professional development sessions.
- Full day release and after-school workshops and trainings are also available.

In the 2023-24 school year, elementary and middle school teachers were released for one-half day each trimester to collaborate with grade level/department peers, analyze student work, review formative assessment data, develop lesson plans and identify instructional strategies to meet student needs. In addition, workshops on the topics listed below were offered prior to and during the school year:

- ELPAC Training
- Cognitively Guided Instruction for Math (CGI)
- ELD: Designated/Integrated
- Family Engagement
- Guided Language Acquisition and Design (GLAD)
- Imagine Learning (online supplementary program for ELD)
- Mild/Moderate Transitional Training for Special Education Teachers

## Professional Development

- Moderate/Severe Special Education Classroom Quality Indicators
- Number Talks and Problem Solving Strategies
- Personalized Learning (small group rotations, differentiated instruction)
- Positive Behavior Management
- Positive Prevention Plus Curriculum (middle school science teachers)
- Poverty Simulation
- Professional Assault Crisis Training (ProAct)
- Presentation Literacy of Knowledge and Ideas to Create a TED style Student Talk
- Science of Reading
- ST Math training
- Social Emotional Learning
- Trauma Informed Care
- Working with the ELD Standards
- World of Work

Support for implementation of 1:1 chromebooks, personalized learning, technology integration writing, and mathematics was provided by teacher facilitators (coaches) using both push-in and pull-out models throughout the school year.
