LH — Honors level provides the most rigorous courses and requires superior scholarship. Some involve preparation for AP exams and are conducted at a pace comparable to college level courses.

ARHS does not disclose confidential disciplinary records to post secondary institutions except as it may be required by law.

- **Independent Study:** Juniors, and seniors may apply. After approval, students conduct an in-depth study in an area of interest. Honors credit is awarded.
- **International Studies Program:** Amity students come together with students from surrounding schools to study a specific international topic.
- **Unpaid Experiential Learning Program:** Seniors are placed in work experience where they receive on-the-job training and field experience in a chosen career field in the final weeks of senior year.
