

Announced Observation - All announced observations, including post-conferences, should be completed prior to **March 1st** barring any extenuating circumstances.

- tenured teachers have ONE announced observation
- non-tenured teachers have TWO announced observations

Teachers	Evaluator
<p>Scheduling</p> <p>The teacher should schedule their pre-observation, observation, and post-observations during the approved window provided by their evaluator. Announced observations occur before unannounced.</p>	<p>Scheduling</p> <p>The lead evaluator will establish and send communication regarding the window for scheduling pre-observation, observation, and post-observations. The lesson plan template should be provided as an attachment or through the following link: Lesson Plan Template Announced observations occur before unannounced.</p>
<p>Timeline</p> <p>Observations are not to take place within the first two weeks of the school year or the first two weeks of second semester for semester courses.</p> <p>Forms</p> <p>Following the post-conference, observation forms must be completed and returned to the teacher no later than 20 school days for tenured teachers and 15 school days for probationary teachers. Teachers have 10 school days to return the signed form.</p>	<p>Timeline</p> <p>Observations are not to take place within the first two weeks of the school year or the first two weeks of second semester for semester courses.</p> <p>Forms</p> <p>Following the post-conference, observation forms must be completed and returned to the teacher no later than 20 school days for tenured teachers and 15 school days for probationary teachers. Teachers have 10 school days to return the signed form.</p>
<p>Lesson Plan Template</p> <p>Teacher submits the fully completed lesson plan to their lead evaluator at least 24 hours prior to pre-observation meeting. There is a shared understanding that the lesson plan may be responsively adjusted during the observation.</p>	<p>Lesson Plan Template</p> <p>Lead evaluator uses Domain 1 components to evaluate the lesson plan. There is a shared understanding that the lesson plan may be responsively adjusted during the observation.</p>

Announced Observation - Continued	
Teachers	Evaluator
<p>Pre-observation (strongly encouraged for all teachers)</p> <p>Review of lesson plan and Domain 1 with lead evaluator. Lead evaluator will facilitate discussion regarding how evidence is collected and logistics for the observation will be conducted.</p> <p>The pre-observation conference should be within 2 days of the observation, barring any extenuating circumstances.</p>	<p>Pre-observation (strongly encouraged for all teachers)</p> <p>The intent of the pre-observation process is to rate the components of Domain 1 separately, not to be influenced by the observation. Discussions can be both evaluative and growth-producing. Lead evaluator will facilitate discussion regarding how evidence is collected and logistics for the observation will be conducted.</p> <p>The pre-observation conference should be within 2 days of the observation, barring any extenuating circumstances.</p>
<p>Observation (30-45 minutes)</p> <p>Evaluation based on Domains 2 and 3. Evidence collected may include notetaking and engagement with students. No audio, video, or photos shall be used for the purposes of observation or evaluation. Extenuating circumstances may result in an observation being rescheduled. A new or additional lesson plan would not be required in these situations.</p> <p>No simultaneous observations, each teacher must have their own allotted time.</p>	<p>Observation (30-45 minutes)</p> <p>Collect evidence for Domains 2 and 3. No audio, video, or photos shall be used for the purposes of observation or evaluation. Extenuating circumstances may result in an observation being rescheduled. A new or additional lesson plan would not be required in these situations. Consideration should be given if factors influence the evaluator's ability to be present for the entire lesson as outlined in the lesson plan.</p> <p>No simultaneous observations, each teacher must have their own allotted time.</p>
<p>Post-Observation (required for all teachers)</p> <p>Reflection should be submitted to the lead evaluator 24 hours prior to the meeting and should succinctly reflect on the lesson. Post observation includes Domains 2, 3, and 4. Be prepared to share evidence related to the lesson (student work, assessments, etc.) as well as for Domain 4. A score for Domains 1, 2, and 3 will be shared prior to or by the end of the post-observation conference. Scores may be in increments of 0.5 and based on a preponderance of evidence.</p>	<p>Post-Observation (required for all teachers)</p> <p>Post observation includes Domains 2, 3, and 4. Be prepared to discuss evidence related to the lesson (student work, assessments, etc.) as well as for Domain 4. A score for Domains 1, 2, and 3 will be shared prior to or by the end of the post-observation conference. Growth producing feedback and the discussion between the lead evaluator and teacher is vital part of the process. A score for Domains 1, 2, and 3 will be shared prior to or by the end of the post-observation conference. Scores may be in increments of 0.5 and based on a preponderance of evidence.</p>

<p>Unannounced Observation – Required for All Teachers <i>All observations, including post-conferences, must be completed by May 1st for probationary teachers and by May 15th for tenured teachers.</i></p>	
Teachers	Evaluator
<p>Scheduling Unannounced observations occur after announced. The timing of the unannounced observation should consider extenuating factors and/or circumstances (full period testing, immediate return from an absence, WIN, etc.).</p>	<p>Scheduling Unannounced observations occur after announced. Outside Observation - Required for Year One and Year Two Teachers

All observations must be completed by May 1st for probationary teachers

Teachers	Evaluator
Scheduling Outside observer establishes the dates that teachers can schedule for their outside observation. Shared spreadsheets with dates and times are sent to each teacher by the outside observer or their designee. Teacher should reach out to the outside observer if no time slots are available given the teacher's schedule.	Scheduling Outside observer establishes the dates that teachers can schedule for their outside observation. Shared spreadsheets with dates and times are sent to each teacher by the outside observer or their designee. Observer should be mindful of potential changes in the building schedule.
Timeline Teachers will sign up for an outside observation in a timely manner.	Timeline Outside observations can be scheduled starting November 1. Available dates and times are sent to teachers by October 15. Forms Digital observation forms must be completed and returned to the teacher and building principal and/or designee <i>no later than 3 school days following the observation.</i>
Lesson Plan Template Completed lesson plan templates are not required for outside observations. Teachers are welcome to share information prior to an outside observation but are not required to.	Lesson Plan Template Completed lesson plan templates are not required for outside observations. Teachers are welcome to share information prior to an outside observation but are not required to.
Observation Observations will be 15 minutes in length and focus only on Domain 2 . No audio, video, or photos shall be used for the purposes of observation or evaluation. Extenuating circumstances may result in an observation being rescheduled. No simultaneous observations, each teacher must have their own allotted time.
