### Issue of complaint (please check all that apply):

#### 1. Textbooks and Instructional Materials

- A pupil, including an English learner, does not have standards-aligned textbooks or instructional materials or state-adopted or district-adopted textbooks or other required instructional materials to use in class.
- A pupil does not have access to textbooks or instructional materials to use at home or after school. This does not require two sets of textbooks or instructional materials for each pupil.
- Textbooks or instructional materials are in poor or unusable condition, have missing pages, or are unreadable due to damage.
- A pupil was provided photocopied sheets from only a portion of a textbook or instructional materials to address a shortage of textbooks or instructional materials.

#### 2. Facility Conditions

- A condition poses an urgent or emergency threat to the health or safety of students or staff, including: gas leaks, nonfunctioning heating, ventilation, fire sprinklers or air-conditioning systems, electrical power failure, major sewer line stoppage, major pest or vermin infestation, broken windows or exterior doors or gates that will not lock and that pose a security risk, abatement of hazardous materials previously undiscovered that pose an immediate threat to pupils or staff, structural damage creating a hazardous or uninhabitable condition, and any other emergency conditions the school district determines appropriate.
- A school restroom has not been maintained or cleaned regularly, is not fully operational and has not been stocked at all times with toilet paper, soap, and paper towels or functional hand dryers.
- The school has not kept all restrooms open during school hours when pupils are not in classes, and has not kept a sufficient number of restrooms open during school hours when pupils are in classes. This does not apply when temporary closing of the restroom is necessary for pupil safety or to make repairs.
