D. Approval of Request for Funding

Recommendation:

That the School Committee review a request from Athletic Director Chris Carrig to expend funds from the ORR Athletics Advertising account per policy KHB.

Superintendent Nelson shared the following from Mr. Carrig: *The Athletic Department is requesting \$5,869 to purchase a portable scoreboard for use by our teams. Currently the only outdoor scoreboard is the one located on the All Purpose Field. This serves many of our teams, but does not provide a visible scoring or timing option for JV soccer, varsity baseball, varsity softball, or varsity and JV field hockey. The small tabletop solution used the last few years cannot be seen by players, coaches, officials or fans, and has died in the middle of games frequently. This new scoreboard is battery operated and rechargeable, and clearly visible from the furthest point of any of our home game sites. It is on wheels and can be moved easily to any location as needed.*

It is best practice to provide highly visible timing and scoring to all varsity contests, and when possible, to JV contests as well. I borrowed this exact system from a local school last fall to pilot for a few games in our field hockey program and the response was entirely positive. It gave a much more legitimate game presentation, and provided everyone in attendance the information they needed. I was pleased to watch the games without having to provide the score, quarter, or time remaining to anyone. When I look at the intention of our advertising partnerships, this project reaches a wide range of athletes in multiple seasons, which is exactly what we set out to do.

He added per school committee policy, using funds from the ORR Athletics advertising gift account must be approved by the school committee. It is exciting to see funding already being used in the first year of advertising.

MOTION to approve the purchase of the scoreboard with advertising funds as presented

MOTION by Ms. Nye

MOTION Seconded by Mr. Monteiro

MOTION PASSED 8-0
