HELLO ID – Login Info for CVUSD Staff

Open a web page on the internet.

1. Go to login.cajonvalley.net and type your **Username**[1].
2. Type your password[2] and click **Login**..

3. Select and open the application from the HelloID dashboard.
4. You may need to type your credentials the first time you access some programs. Upon logging in, however, HelloID will save your credentials and add them automatically after that.

[1] *The username is everything to the left of the @ sign in your district email address*
[2] *The default password is a combination of your last initial in uppercase + first initial in lowercase + employee ID number.*
