

Our choir courses are designed to provide students with the fundamentals of vocal technique, music literacy, ensemble performance, and artistic expression. Through daily rehearsals, sight-reading, and performances, students will explore music of various styles, learn to work as part of a team, and gain confidence through musical achievement.

Students will:

- Develop a healthy, resonant tone supported by proper posture and breath control
 - Strengthen music literacy skills through solfège, rhythm reading, and sight-reading
 - Perform concert repertoire with accuracy, musicality, and expression
 - Cultivate teamwork through balance, blend, and listening across the ensemble
 - Represent Pearland ISD at concerts, community performances, and TMEA, UIL, and District choir events
-
