

FREE SOFTBALL CLINIC!

Register Now

Our Free Youth Softball Clinic is designed for female players to introduce them to the game of softball, improve their skills and boost their confidence. Cactus Horizon Little League is hoping our Clinic will lead to chartering a Team for the upcoming Spring Season. Our list of Clinic volunteers includes CHLL Board Members, current Horizon High School softball players and former Division I and II softball players.

CHLL will host two Clinics. The first Clinic will be introductory to softball focusing on throwing and fielding mechanics. The second Clinic will advance the fielding and introduce the pitching motion. No experience needed, so any level of skill is welcome!
