

PINEAPPLE

DID YOU KNOW?

- Pineapple is a plant that belongs to the Bromeliad family, but unlike other members of this group Pineapple is edible and a tasty fruit.
- A Pineapple wears a tough brown yellowish skin, a fun green crown of leaves, and when cut you will find a bright yellow flesh inside!
- Pineapple has a soft texture and once ripe their flavor is a perfect mix of sweet and tart.
- Pineapple is a great source of vitamin C and fiber!

FUN FACT!

Pineapple originated in South America.
