Appendix I - Memorandum of Agreement Concerning Teacher Sick Leave Bank

The certified teacher union, Education Minnesota Monticello, and Independent School District 882 (the Parties) enter into the following Memorandum of Agreement with regards to establishing protocols for a teacher sick leave bank. This agreement is in temporary place of the sick leave bank language in Article IX, Leave of Absence, Section 1, Subdivision 7 of the Faculty Master Agreement.

The Parties agree as follows:

Purpose: To provide additional sick leave to teachers who have exhausted their personal and sick leave and have a catastrophic accident, injury, or serious recurring illness necessitating an extended absence.

Qualifications: To qualify as a catastrophic accident, injury or illness for the purpose of this Sick Leave Bank provision, the teacher must have exhausted their personal and sick leave accrual and had:

- A. An accident with major injury causing absence by the teacher over an extended period of time which is verified by medical documentation.
- B. A serious illness causing absence by the teacher over an extended period of time verified by medical documentation.

In addition:

- A. The sick leave bank will not be available for any treatment and/or surgery considered elective in nature as determined by a qualified physician.
- B. A teacher who is collecting benefits from long-term disability or worker's compensation will not be eligible to access the sick leave bank.

Committee:

EMM Sick Leave Bank will be administered by one (1) HR representative, one (1) EMM Negotiator (permanent) and five (5) certified staff members. All committee members will serve with three (3) year terms, so long as this Memorandum of Agreement is extended or renewed beyond the 2022-2023 school year. The five certified staff members consist of one (1) administrator, two (2) elementary teachers, two (2) secondary teachers (teachers to be determined by EMM). Hereinafter referred to as the Committee. Simple majority vote of a quorum, (five members), of the Committee will be used for decision making.

Guidelines:

- A. Participation Requirements

- a. All teachers that have worked in the district for one full year, as defined by the Master Agreement, are eligible to participate in the sick leave bank.
- b. Eligible teachers must contribute personal sick leave hours from their accrued balance of a minimum of 8 hours and up to a maximum of 16 hours to participate in the sick leave bank each open enrollment period.
- c. During the first year (2020-2021) of implementing the sick leave bank all teachers wishing to participate need to complete the Sick Leave Bank donation form and submit it to the district office within 30 days after notification of a sick leave bank.
- d. ~~All new hires after this date may choose to participate in the sick leave bank by submitting the completed donation form to the district office within 30 days of eligibility.~~ **Annually, the District will notify all teachers of an approximately 30-day open enrollment period to begin in August and conclude in September. Teachers choosing not to enroll will not be eligible to participate in the Sick Leave Bank until the next open enrollment period.**
- e. ~~When the sick leave bank reaches a minimum threshold of 100 days, or 800 hours, the Sick Leave Bank Committee will notify all teachers of a 30-day open enrollment period. Teachers must re-enroll at each open enrollment period with a new donation to remain eligible for the Sick Leave Bank. Teachers choosing not to enroll will not be eligible to participate in the Sick Leave Bank until the next open enrollment period, so long as the teacher makes a donation to the Sick Leave Bank at that time.~~ **When the sick leave bank reaches a minimum threshold of 100 days, or 800 hours, the District will notify the Sick Leave Bank Committee. All teachers must then re-enroll during the next 30-day open enrollment period with a new donation to remain eligible for the Sick Leave Bank. Teachers choosing not to enroll will not be eligible to participate in the Sick Leave Bank until the next open enrollment period.**
- f. All sick leave hours contributed to the sick leave bank are non-refundable.

B. Administration of the Sick Leave Bank.

- a. Within 15 days of the close of the open enrollment period, the District will inform EMM officers of the donations and submit a written list of teachers that donated days/hours to the sick leave bank and the donation total. This notification process will take place at the end of each open enrollment period.
- b. EMM and the Sick Leave Bank committee will independently verify the sick leave bank database and compare records to the Business Services ledger.
- c. After verification, the Business Services office will remove donated sick leave hours from individual teacher accounts.

C. Accessing the Sick Leave Bank

- a. A written request to use the sick leave bank is to be made to the Superintendent of Schools or the Human Resources Department. The request must include the reason for the need to access the sick leave bank, the anticipated number of days the employee will need to miss

work and appropriate medical documentation by a treating physician. By submitting the request to the Superintendent, the teacher is agreeing and consenting to the release of the included information to the Sick Leave Bank committee.

b. ~~The Director of Human Resources and the EMM negotiator who has been appointed to be a member of the Sick Leave Bank committee, will review applications and remove names and personal information from the request.~~ *The Director of Human Resources and the Union's designated lead representative on the Committee will review applications and redact names and personal information from the request. Should the Director of Human Resources and the Union's representative mutually agree that a request does not meet the Qualifications of the leave bank as identified above, the request will be summarily dismissed and the Committee will not convene.*

c. To make a determination of granting or denying a request to use sick days from the sick leave bank, an employee requesting the use of the Sick Leave Bank may have their sick leave usage audited. The audit may cover the two school years preceding the employee's request. Patterns of absence indicating abuse will be reviewed, noted and considered. Patterns of abuse are most often indicated by frequency, duration and repeated days/times of past absences.

d. The Sick Leave Bank committee will convene and discuss the request for additional sick leave days to an individual from the sick leave bank.

e. The Committee will grant or deny the request and determine the appropriate number of days to award an accepted request.

f. The maximum number of sick leave bank days any individual teacher is allowed to use over a four school year period is 120 days, with a maximum cap of 60 days in any one school year. The hours awarded per day will be commensurate to the hours worked per day in the current school year. A teacher cannot access the sick leave bank more than three (3) consecutive school years.

g. Decisions of the Sick Leave Bank committee are final and non-grievable.

This agreement is unique and is not precedent setting. This memorandum of agreement expires when a successor agreement has been ratified by both parties.

Days. "Days" means calendar days excluding Saturday, Sunday, and legal holidays as defined by Minnesota Statutes.

Computation of Time. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default for which the designated period of time begins to run shall not be included. If the grievance is not resolved within fifteen (15) days of the first meeting, the grievance may be reduced to writing by the exclusive representative and served upon the superintendent (see Step II). Service must be made within fifteen (15) days of the first meeting with the building principal.

Step II.

The superintendent shall meet with the exclusive representative within seven (7) days after receipt of the written grievance. The parties shall endeavor to mutually resolve the grievance. If a resolution of the grievance results, the terms of that resolution shall be written on or attached to the grievance and shall be signed by all parties. If no agreement is reached within fifteen (15) days of the first Step II meeting, the exclusive representative, if EMM elects to proceed with the grievance, must proceed with Step III by serving a written notification on the superintendent. The written notification shall contain a concise statement indicating the intention of the party to proceed with the grievance, an outline of the grievance, the provision(s) of the contract in dispute, and the relief requested.

The decision of the arbitrator shall be final and binding on all parties to the dispute, subject to the rights of the parties to seek judicial review of an arbitration award as provided by law. The decision shall be issued to the parties by the arbitrator, and a copy shall be filed with the Bureau of Mediation Services, State of Minnesota.

The provisions of this grievance procedure shall be severable, and if any provision or paragraph thereof or application of any such provision or paragraph under any circumstance is held invalid, it shall not affect any other provision or paragraph of this grievance procedure or the application of any provision or paragraph thereof under different circumstances.
