Union East Elementary School

CHARGERS CHATTER

September 29-October 3, 2025

- Our students have done a great job practicing our evacuation (fire) drills last week. We will be continuing our fire drills and lockdown drills in the coming weeks.

- Friday, October 3rd is the county wide 15 minute early release drill. Dismissal will begin at 3:10 (3:00 for UPK) on Friday.

- We are excited to begin clubs for our 3rd and 4th grade students. Clubs may be held before or after school. Transportation is not provided, therefore you will be responsible for transporting your student to/from school on club days. We have over 10 clubs for students to choose from! Be sure to sign up for clubs no later than October 6th. Please follow this link to learn what clubs are available and when!

- We understand that, at times, it is impossible to avoid picking children up early from school for medical and dentist appointments. We encourage our students to be in school for the entire day as important learning is happening throughout the day. Unless unavoidable for medical appointments, please refrain from picking your child up early. Even 30 minutes early on a daily basis is equivalent to missing an entire day of school every other week. Thank you for your understanding!
