Dear Tomás Rivera Families,

Welcome to the 2025-2026 school year! As the principal, it is my pleasure to extend a warm welcome to all our new and returning students and their families. We are excited to have you as part of our school community, and we look forward to a year filled with learning, growth, and achievement.

Our mission is to inspire educational excellence, well-being, and equity for all. Our dedicated team of educators is passionate about fostering a love for learning and helping each student reach their full potential. We encourage our students to HOWL their way through the day. These four key expectations guide our school community:

Hardworking: We encourage our students to put forth their best effort in all their endeavors, be diligent, and strive for excellence in academics and personal growth.

Open-Minded: We foster an environment where students are encouraged to be curious, embrace new ideas, respect diverse perspectives, and learn from one another.

Wise Choices: We guide our students to make thoughtful decisions that reflect good judgment and integrity, considering the well-being of themselves and others.

Live Responsibly: We teach our students the importance of taking responsibility for their actions, being dependable, and making positive contributions to our school and community.

We believe in the importance of a strong partnership between home and school, and we encourage you to be actively involved in your child's education. Please consider volunteering, joining our PTA, attending school events, and communicating regularly with your child's teacher. Communication is key to a successful school year, and we are committed to keeping you informed and engaged. Please make sure to download the ParentSquare app to receive regular updates from the school and your child's teacher.

I am honored to serve as your principal, and I cannot wait to partner with you for a fantastic year of learning and growth. Together, we can create a positive and enriching educational experience for all our students.

Thank you,
Dr. Ashley Fulmer
Principal
