

NOISE PARADE

The **Noise Parade** once again rattled the streets of John Day, and if you weren't there, don't worry — you definitely heard it.

Each class brought their A-game in school **spirit**, turning downtown into a moving art show — complete with painted banners and chants so **loud** that dogs three counties over are still barking.

Freshmen and sophomores **screamed** like their lives depended on it, juniors shook the pavement with their **stomps**, and seniors... well, seniors **showed up**...some of them. 😏

It wasn't just about making as much racket as possible...it was proof that yes, **we may be a small town, but we can be very loud and annoying.**
